Theft of cryptocurrency;against unknowns

Dear,

On behalf of LCX AG, Herrengasse 6, 9490 Vaduz, we raise

LEGAL PROCEEDINGS AGAINST UNKNOWN.

LCX AG is the operator of the Internet platform LCX.com, which among other things enables trading in crypto currencies on LCX Exchange (exchange.LCX.com). LCX AG is registered as a TT service provider according to TVTG. LCX follows strict security requirements and has an internal policy called "Information Security, Blockchain Operations and Business Continuity Policy".

Facts: Theft of crypto currency

At the current status of our internal analysis, a hacker gained access to the most important wallet on the LCX platform. The affected is the LCX hot wallet on the Ethereum blockchain with the wallet address 0x4631018f63d5e31680fb53c11c9e1b11f1503e6f.

Due to the high security measures, access to LCX wallets is excluded. How the hacker gained access is unclear.

The LCX hot wallet can be viewed online on Ethereum Explorer, the hack is traceable and you can see how the cryptocurrencies are forwarded by the hacker. See
https://etherscan.io/address/0x4631018f63d5e31680fb53c11c9e1b11f1503e6f

The theft takes place yesterday evening, **January 8, 2022 between 23:23 and 23:37** instead.
