OF THE NAVAJO NATION COUNCIL

24<sup>TH</sup> NAVAJO NATION COUNCIL - Third Year, 2021

AN ACTION

RELATING TO THE BUDGET AND FINANCE COMMITTEE; APPROVING THE  
NAVAJO NATION FISCAL RECOVERY FUND APPLICATION PROCEDURES,  
FORMS, AND EXPENDITURE PLAN TEMPLATE, PURSUANT TO CJY-41-21

BE IT ENACTED:

SECTION ONE. AUTHORITY

- A. The Budget and Finance Committee is a standing committee of the Navajo Nation Council with the authority to promulgate rules and regulations regarding financial matters. 2 N.N.C. § 300(B)(1) and § 300(B)(2).
- B. The Navajo Nation Council is the governing body of the Navajo Nation. 2 N.N.C. § 102(A).
- C. The Navajo Nation Council has the power to delegate its authority to the standing committees of the Navajo Nation Council. 2 N.N.C. § 102(G).

SECTION TWO. FINDINGS

- A. The World Health Organization ("WHO") declared a Public Health Emergency of International Concern related to the Coronavirus ("COVID-19"), a highly contagious and sometimes fatal respiratory virus, on January 30, 2020; the U.S. Department of Health and Human Services declared a Public Health Emergency related to the COVID-19 outbreak on January 31, 2020; and the WHO declared a global pandemic due to COVID-19 on March 11, 2020.
- B. The Navajo Nation Commission on Emergency Management, with the concurrence of Navajo Nation President Jonathan Nez, declared a Public Health State of Emergency on the Navajo Nation on March 11, 2020, due to the COVID-19 outbreak. See

Resolution No. CEM 20-03-11, incorporated herein by reference. The Navajo Nation Department of Health has subsequently issued numerous Public Health Emergency Orders. Public Health Orders 2020-001 through 2021-016 are incorporated herein by reference. These Public Health Emergency Orders are available at [www.ndoh.navajo-nsn.gov](http://www.ndoh.navajo-nsn.gov).

- C. The coronavirus pandemic of 2019 has caused large scale infections and loss of life throughout the world, the United States, and within the Navajo Nation. As of August 9, 2021, the Navajo Nation Health Command Operations Center has confirmed 31,650 COVID-19 cases and 1,383 COVID-related deaths on the Navajo Nation. COVID-19 variants have recently emerged that threaten to increase these numbers and continue the pandemic's assault on the Navajo People.
- D. The devastating effects of COVID-19 continue throughout the Navajo Nation, and include widescale negative financial effects, such as employment losses, business closures, food and housing insecurity, and other economic disruptions.
- E. In response to the pandemic, on March 11, 2021, President Biden signed the American Rescue Plan Act ("ARPA") into law. Section 9901 of ARPA established the Coronavirus State Fiscal Recovery Fund and the Coronavirus Local Fiscal Recovery Fund (together the "Fiscal Recovery Funds" or "FRF") by amending Title VI of the Social Security Act, which provided \$362 billion for state, local, and tribal governments, including \$20 billion designated for tribal governments.
- F. As of August 16, 2021, the United States Department of Treasury allocated \$2,079,461,464.93 to the Navajo Nation under the Fiscal Recovery Funds provisions of ARPA. The Fiscal Recovery Funds are designed to build on and expand the relief provided in the 2020 Coronavirus Aid, Relief, and Economic Security Act or CARES Act.
- G. The ARPA/Fiscal Recovery Funds are intended to support governmental efforts to mitigate and contain the spread of COVID-19, as well as to respond to the health, social and economic impacts of COVID-19 suffered by residents and businesses.
- H. In accordance with Section 9901 or ARPA, Fiscal Recovery Funds shall only be used:

1. To respond to the COVID-19 public health emergency or its negative economic impacts, including assistance to households, small businesses, and non-profits; or aid to impacted industries such as tourism, travel, and hospitality;
2. To respond to workers performing essential work during the COVID-19 public health emergency by providing premium pay to eligible workers;
3. To provide government services to the extent of the reduction in Navajo Nation revenue due to the COVID-19 public health emergency, relative to revenues collected in the most recent full fiscal year prior to the emergency; and
4. To make necessary investments in water, sewer, or broadband infrastructure.

I. Pursuant to ARPA:

1. Fiscal Recovery Fund costs must be incurred by December 31, 2024, meaning the Navajo Nation must obligate FRF funds by that date; and
2. the Fiscal Recovery Fund period of performance runs until December 31, 2026, meaning all FRF - funded projects must be completed by that date.

J. While its acceptance of the Fiscal Recovery Funds obligates the Navajo Nation to comply with ARPA and other federal laws and regulations, the Navajo Nation can and will fulfill these obligations while retaining and exercising its tribal sovereignty in allocating and disbursing Fiscal Recovery Funds.

K. On July 23, 2021 the Navajo Nation Council adopted Resolution No. CJY-41-21 that established the Navajo Nation's own Fiscal Recovery Fund ("NNFRF"), into which the Navajo Nation's allocation of \$2,079,461,464.93 has been deposited. CJY-41-21 also approved a general expenditure authorization process for Fiscal Recovery Funds. On August 2, 2021 the Navajo Nation President signed Resolution No. CJY-41-21 into law.

- L. In Section Four (A) of CJY-41-21, the Navajo Nation Council directed the Office of Management and Budget, in consultation with the Office of the Controller and the Department of Justice, to develop formal FRF application and review procedures, as well as an expenditure plan template, that shall be used for preparing and submitting requests for Navajo Nation Fiscal Recovery Funds, all of which shall be adopted by the Budget and Finance Committee. This Budget and Finance Committee legislation is intended to fulfill the Navajo Nation Council's directive in CJY-41-21.
  
- M. To ensure the Navajo Nation's compliance with ARPA in Section Four (B) of CJY-41-21 the Navajo Nation Council directs the Navajo Nation Department of Justice to "do an initial determination of whether a NNF RF funding request satisfies the legal requirements of the Fiscal Recovery Funds provisions of ARPA and applicable Navajo Nation laws, regulations, and policies and procedures."

NAVAJO NATION FISCAL RECOVERY FUNDS PROCEDURES  
FOR NAVAJO NATION GOVERNMENT UNITS  
REQUESTING NAVAJO NATION FISCAL RECOVERY FUNDS  
UNDER THE AMERICAN RESCUE PLAN ACT OF 2021

**SECTION 1. INTRODUCTION**

- (A) **History of ARPA and the Navajo Nation’s FRF allocation.** On March 11, 2021, the American Rescue Plan Act of 2021 (“ARPA”) was signed into law. Section 9901 of ARPA amended Title VI of the Social Security Act to add Sections 602, which established the Coronavirus State Fiscal Recovery Fund, and 603, which established the Coronavirus Local Fiscal Recovery Fund, thereby appropriating Coronavirus State and Local Fiscal Recovery Funds in the amount of \$362 billion for state, local, and tribal governments, including \$20 billion designated for tribal governments. As of August 16, 2021, the United States Department of Treasury has allocated \$2,079,461,464.93 to the Navajo Nation (hereinafter referred to as “Funds”).
- (B) **Guidance to Navajo Nation Government Units seeking Fiscal Recovery Funds.** In preparing a Funding Request, Navajo Nation Government Units must carefully review all provisions of the ARPA and its corresponding regulations, and must also be familiar with the U.S. Treasury Department’s guidance, including the Interim Final Rule as amended, and the Treasury Department’s most current Frequently Asked Questions publication. Units seeking Funds must ensure that the Treasury Department will consider all proposed expenditures to be a legal and proper use of such Funds. ARPA instructions and helpful information can be found on the Treasury Department’s website at: *https://home.treasury.gov/policy-issues/coronavirus/assistance-for-state-local-and-tribal-governments/state-and-local-fiscal-recovery-fund/tribal-governments*. Finally, all Navajo Nation Government Units seeking Funds should review and understand all provisions of Navajo Nation Council Resolution No. CJY-41-21, which establishes the Navajo Nation’s goals and intent regarding the approval and use of Navajo Nation Fiscal Recovery Funds.

**SECTION 2. ELIGIBLE USES FOR FISCAL RECOVERY FUNDS**

Fiscal Recovery Funds shall only be used:

- (A) to respond to the COVID-19 public health emergency or its negative economic impacts, including assistance to households, small businesses, and non-profits; or to provide aid to impacted industries such as tourism, travel, and hospitality;
- (B) to respond to workers performing essential work during the COVID-19 public health emergency by providing premium pay to eligible workers;
- (C) to provide government services to the extent of the reduction in Navajo Nation revenue due to the COVID-19 public health emergency relative to revenues collected in the most recent full fiscal year prior to the emergency; and
- (D) to make necessary investments in water, sewer, or broadband infrastructure.

The U.S. Department of the Treasury has identified 66 Fiscal Recovery Fund expenditure categories for purposes of compliance and reporting. (See “Appendix 1: Expenditure Categories” to Treasury’s “Compliance and Reporting Guidance for State and Local Fiscal Recovery Funds,” dated June 24, 2021, attached hereto as APPENDIX A). To be eligible for an allocation of the Nation’s Fiscal Recovery Funds, each of the proposed expenditures must fall under one of these 66 expenditure categories.

In such cases, the various NN Government Units shall each follow the respective applicable provisions from Sections 4(C)(1)-(4) above, except that each approved Package signed by the Branch Chief or the Division Director, if any, shall be then submitted to the OPVP which shall prepare a Comprehensive Funding Request Package for the multiple Projects of a single type, and shall then submit the Comprehensive Package for an Initial Eligibility Determination Review.
- (D) **Authorization to submit.** The appropriate Branch Chief or Division Director, or the President in the case of multiple Funding Requests, shall review, approve, and sign each NN Government Unit's FRF Request Form & Expenditure Plan and FRF Expenditure Plan Budget, and then submit on behalf of the NN Government Unit, its Funding Request for an Initial Eligibility Determination Review.

- (B) **DOJ Review.** DOJ shall conduct an Initial Eligibility Determination Review to determine if all required Forms and documents in each of the Funding Requests are complete, accurate, and meet all applicable

requirements, and whether all proposed Project expenditures are eligible for FRF funding. DOJ shall indicate in writing whether or not each Funding Request is deemed eligible for a funding award according to the criteria listed in Section 5(E) of these Procedures. However, an “eligible” determination does not mean that a Funding Request will be given final approval by the Navajo Nation Council or the President.

- (C) **Expedited time for review.** DOJ shall complete its Initial Eligibility Determination Review within 5 working days of its receipt of a Funding Request, excluding weekends and holidays. Whenever possible, Reviews will be completed the same business day. If the Review is not completed within the 5 working days, the Funding Request Package shall be returned to the submitting party, with the notation: “REVIEW NOT COMPLETED WITHIN 5 DAYS.” If DOJ does not complete its review within 5 working days of submission, the submitting party may request that a Delegate sponsor legislation for the Funding Request.
- (D) **After review is completed.** Once DOJ completes its Initial Eligibility Determination Review of a Funding Request Package, DOJ shall notify the submitting party that its Review is complete, and shall also email the entire Funding Request Package, along with its written determination, back to the submitting party within the deadline provided for in Section 5(C) above.
- (E) **Ineligibility; Rejection of Funding Request.** With written explanation, DOJ may deem a Funding Request ineligible and may reject and return a Funding Request Package back to the submitting party, if:
- (1) any required Form is incomplete, inaccurate, or illegible; or
  - (2) any required Form is not signed by the appropriate person(s) as required in these Procedures; or
  - (3) any portion of the FRF Expenditure Plan template is not fully completed, in accordance with all requirements in Section 3(B)(12) of these Procedures, with fully detailed explanations and information regarding all proposed expenditures of the requested Fiscal Recovery Funds; or
  - (4) any required supporting document is not included with the Funding Request; or
  - (5) any portion of the Funding Request does not fit within the eligible purposes outlined in Section 2 of these Procedures; or
  - (6) all Fiscal Recovery Funds for the Project will not be obligated by December 31, 2024; or
  - (7) delivery of goods or performance of services will not be achieved, the Project will not be completed, and the entire amount of requested Fiscal Recovery Funds will not be fully spent by December 31, 2026; or
  - (8) any question or issue related to the Funding Request that was raised by DOJ and communicated to the NN Government Unit is not satisfactorily addressed in a manner that allows DOJ to meet the review deadline in Section 5(C) of these Procedures; or
  - (9) the NN Government Unit has failed to complete and timely submit any reports required pursuant to the Navajo Nation CARES Funds Act, and/or the federal Coronavirus Aid, Relief, and Economic Security Act of 2020 (“CARES Act”); or
  - (10) approving the Funding Request or awarding Funds to the NN Government Unit would be inconsistent with any applicable Navajo Nation or federal laws or regulations.
- (F) **Resubmittal of Funding Request.** After a determination of ineligibility by DOJ, the NN Government Unit shall be allowed one opportunity to correct and resubmit a Funding Request. However, if any changes are made to the Project, any required Form(s), the proposed FRF Expenditure Plan, or any supporting documents (including the substitution of any document), revised Forms and new signatures shall then be required from the appropriate person(s) as provided for in Sections 4(C)-(D) of these Procedures.
- (G) **Preparation of approval legislation.** Once DOJ has completed its Initial Eligibility Determination Review of an individual NN Government Unit’s Funding Request Package, or of each Funding Request in a Comprehensive Package, a Delegate may present the Package(s) to the Office of Legislative Counsel, along with a request for approval legislation. The Office of Legislative Counsel shall then draft the sponsoring Delegate’s requested legislation for the Navajo Nation Council’s approval of the Funding Request(s). A Delegate may choose to sponsor approval legislation regardless of DOJ’s determination of ineligibility.

(H) **Final eligibility determination by Council and President.** Any review of a Funding Request pursuant to this Section 5 of these Procedures shall be considered an “Initial Eligibility Determination” only, as this term is defined in Section 3(B)(15) of these Procedures. The final determination as to whether or not a Funding Request is approved, or whether a NN Government Unit is awarded Fiscal Recovery Funds shall be made by the Navajo Nation Council and the President pursuant to 2 N.N.C. §221(B), and subject to the provisions of 2 N.N.C. §164(A)(17).

NAVAJO NATION FISCAL RECOVERY FUNDS PROCEDURES  
FOR NON-GOVERNANCE-CERTIFIED CHAPTERS  
REQUESTING NAVAJO NATION FISCAL RECOVERY FUNDS  
UNDER THE AMERICAN RESCUE PLAN ACT OF 2021

**SECTION 1. INTRODUCTION**

- (A) **History of ARPA and the Navajo Nation’s FRF allocation.** On March 11, 2021, the American Rescue Plan Act of 2021 (“ARPA”) was signed into law. Section 9901 of ARPA amended Title VI of the Social Security Act to add Sections 602, which established the Coronavirus State Fiscal Recovery Fund, and 603, which established the Coronavirus Local Fiscal Recovery Fund, thereby appropriating Coronavirus State and Local Fiscal Recovery Funds in the amount of \$362 billion for state, local, and tribal governments, including \$20 billion designated for tribal governments. As of August 16, 2021, the United States Department of Treasury has allocated \$2,079,461,464.93 to the Navajo Nation (hereinafter referred to as “Funds”).
- (B) **Guidance to Non-Governance-Certified Chapters seeking Fiscal Recovery Funds.** In preparing a Funding Request, Non-Governance-Certified Chapters must carefully review all provisions of the ARPA and its corresponding regulations, and must also be familiar with the U.S. Treasury Department’s guidance including the Interim Final Rule as amended, and the Treasury Department’s most current Frequently Asked Questions publication. Those seeking Funds must ensure that the Treasury Department will consider all proposed expenditures to be a legal and proper use of such Funds. ARPA instructions and helpful information can be found on the Treasury Department’s website at: <https://home.treasury.gov/policy-issues/coronavirus/assistance-for-state-local-and-tribal-governments/state-and-local-fiscal-recovery-fund/tribal-governments>. Finally, Non-Governance-Certified Chapters seeking Funds should review and understand all provisions of Navajo Nation Council Resolution No. CJY-41-21, which establishes the Navajo Nation’s goals and intent regarding the approval and use of Navajo Nation Fiscal Recovery Funds.

**SECTION 2. ELIGIBLE USES FOR FISCAL RECOVERY FUNDS**

Fiscal Recovery Funds shall only be used:

- (A) to respond to the COVID-19 public health emergency or its negative economic impacts, including assistance to households, small businesses, and non-profits; or to provide aid to impacted industries such as tourism, travel, and hospitality;
- (B) to respond to workers performing essential work during the COVID-19 public health emergency by providing premium pay to eligible workers;
- (C) to provide government services to the extent of the reduction in Navajo Nation revenue due to the COVID-19 public health emergency relative to revenues collected in the most recent full fiscal year prior to the emergency; and
- (D) to make necessary investments in water, sewer, or broadband infrastructure.

The U.S. Department of the Treasury has identified 66 Fiscal Recovery Fund expenditure categories for purposes of compliance and reporting. (See “Appendix 1: Expenditure Categories” to Treasury’s “Compliance and Reporting Guidance for State and Local Fiscal Recovery Funds,” dated June 24, 2021, attached hereto as **APPENDIX A**). To be eligible for an allocation of the Nation’s Fiscal Recovery Funds, each of the proposed expenditures must fall under one of these 66 expenditure categories.

**NOTE: All Fiscal Recovery Funds must be obligated by December 31, 2024, and funded Projects must be completed and all Funds fully spent by December 31, 2026.**

All Non-Governance-Certified Chapters shall comply with the applicable procedures in this entire Section 4, and all required Forms and documents shall be included in their Funding Request Package.

- (A) **Working with DCD.** In preparing a Funding Request, each Non-Governance-Certified Chapter shall obtain the assistance of, and cooperate with, DCD. Only the DCD Director is authorized to submit, on behalf of a

Non-Governance-Certified Chapter, a Funding Request Package for an Initial Eligibility Determination Review. For purposes of all Sections of these Procedures, the DCD Director may authorize a designee to act in his/her capacity; as used herein "DCD Director" shall include his/her designee. In preparing the Funding Request and prior to submission to DOJ, DCD shall communicate and coordinate with the NNFRF Office.

(B) **Required Forms and documents.** All Non-Governance-Certified Chapters shall fully complete all of the following Forms and documents, all of which shall be submitted to DCD. All such Forms and documents shall be made Exhibits to the legislation presented to the Navajo Nation Council for approval of their Funding Request:

(1) FRF Request Form & Expenditure Plan (see **APPENDIX A**);

(2) FRF Expenditure Plan Budget (see **APPENDIX B**):

(a) the Non-Governance-Certified Chapter shall not request an amount of funds greater than the dollar amount that can be obligated by December 31, 2024 and fully expended by December 31, 2026, or by such other deadline dates that may be determined by the Navajo Nation Council;

Therefore, whenever construction activities are included in an expenditure plan, Budget Form 1, and subsequent detailed budgets, must include a budget line item for contingencies.

(3) provide a duly approved Chapter Resolution that includes a statement supporting the Project and affirming that the Chapter will only use awarded Funds in compliance with the ARPA, the ARPA Regulations, and all other applicable Navajo Nation and federal laws and regulations;

NOTE: this provision does not apply to formula-based distributions of Fiscal Recovery Funds to Non-Governance-Certified Chapters;

(4) all other relevant documents in support of the Funding Request.

(C) **Comprehensive Funding Requests for Non-Governance-Certified Chapters.** Instead of individually submitted Funding Requests, a Comprehensive Funding Request may be prepared and submitted for multiple Non-Governance-Certified Chapters, as provided for in Sections (C)(1)-(2) below. Such a Comprehensive Funding Request for multiple Non-Governance-Certified Chapters may be based on a single Project type, and there may be several Comprehensive Funding Requests for multiple Chapter Project types.

(1) **Required signatures.** Before submitting its Funding Request Package to DCD, the Non-Governance-Certified Chapter shall obtain signatures of the Chapter President and the Chapter Community Services Coordinator on its FRF Request Form & Expenditure Plan and its FRF Expenditure Plan Budget.

(2) **DCD submits Comprehensive Request.** The DCD Director shall review, approve, and sign each Non-Governance-Certified Chapter's FRF Request Form & Expenditure Plan and its FRF Expenditure Plan Budget. Each approved Package shall then be included in DCD's Comprehensive Funding Request for Non-Governance-Certified Chapters, that will, in turn, be signed and submitted by the DCD Director for an Initial Eligibility Determination Review. In preparing the Funding Request and prior to submitting to DOJ, DCD shall communicate and coordinate with the NNFRF Office.

**SECTION 5. EXPEDITED REVIEW PROCESS; ELIGIBILITY DETERMINATIONS**

- (A) **Submitting the Funding Request.** DCD's Comprehensive Funding Request for Non-Governance-Certified Chapters shall be submitted to DOJ for an Initial Eligibility Determination Review, by completing a DOJ "Request for Services" form. A courtesy copy of the Funding Request Package shall also be submitted to the NNFRF Office, to the OMB Contracts and Grants Section at Docs@omb.navajonnsn.gov, and to OOC.
- (B) **DOJ Review.** DOJ shall conduct an Initial Eligibility Determination Review to determine if all required Forms and documents in each of the Funding Requests are complete, accurate, and meet all applicable requirements; and whether all proposed Project expenditures are eligible for FRF funding. DOJ shall indicate in writing whether or not each Funding Request is deemed eligible for a funding award according to the criteria listed in Section 5(E) of these Procedures. However, an "eligible" determination does not mean that a Funding Request will be given final approval by the Navajo Nation Council or the President.
- (C) **Expedited time for review.** DOJ shall complete its Initial Eligibility Determination Review within 5 working days of its receipt of a Funding Request, excluding weekends and holidays. Whenever possible, Reviews will be completed the same business day. If the Initial Eligibility Determination Review is not completed within the 5 working days, the Funding Request Package shall be returned to the submitting party, with the notation "REVIEW NOT COMPLETED WITHIN 5 WORKING DAYS." If DOJ does not complete its review within 5 working days, the submitting party may request that a Delegate sponsor approval legislation for the Funding Request.
- (D) **After review is completed.** Once DOJ completes its Initial Eligibility Determination Review, DOJ shall notify the submitting party and the NNFRF Office that its Initial Eligibility Determination Review is complete, and shall also email the entire Funding Request Package, along with its written determination, back to the submitting party along with a courtesy copy to the NNFRF Office, within the deadline provided for in Section 5(C) above.
- (E) **Ineligibility; rejection of Funding Request.** With written explanation, DOJ may deem a Funding Request ineligible and may reject and return a Funding Request Package back to the submitting party, if:
- (1) any required Form is incomplete, inaccurate, or illegible; or
  - (2) any required Form is not signed by the appropriate person(s) as required in these Procedures; or
  - (3) any portion of the FRF Expenditure Plan template is not fully completed, in accordance with all requirements in Section 3(B)(12) of these Procedures, with fully detailed explanations and information regarding all proposed expenditures of the requested Fiscal Recovery Funds; or
  - (4) any required supporting document is not included with the Funding Request; or
  - (5) any portion of the Funding Request does not fit within the eligible purposes outlined in Section 2 of these Procedures; or
  - (6) all Fiscal Recovery Funds for the Project will not be obligated by December 31, 2024; or
  - (7) delivery of goods or performance of services will not be achieved, the Project will not be completed, and the entire amount of requested Fiscal Recovery Funds will not be fully spent by December 31, 2026; or
  - (8) any question or issue related to the Funding Request that was raised by DOJ and communicated to DCD and the Non-Governance-Certified Chapter is not satisfactorily addressed in a manner that allows DOJ to meet the review deadline in Section 5(C) of these Procedures; or
  - (9) the Non-Governance-Certified Chapter has failed to complete and timely submit any reports required pursuant to the Navajo Nation CARES Funds Act, and/or the federal Coronavirus Aid, Relief, and Economic Security Act of 2020 ("CARES Act"), if applicable; or

- (11) Any sanctions imposed upon a Non-Governance-Certified Chapter or a Chapter Official pursuant to 12 N.N.C. §9 shall not be grounds for a determination of ineligibility.
- (F) **Resubmission of Funding Request.** After a determination of ineligibility by DOJ, DOJ shall allow DCD one opportunity to correct and resubmit a Funding Request Package. However, if any changes are made to the Project, any required Form(s), the proposed FRF Expenditure Plan, or any supporting documents (including the substitution of any document), revised Forms and new signatures shall then be required from the appropriate person(s) as provided for in Section 4(C) of these Procedures.
- (G) **Preparation of approval legislation.** Once DOJ has completed its Initial Eligibility Determination Review of DCD's Package on behalf of a Non-Governance-Certified Chapter(s), a Delegate may present the Package to the Office of Legislative Counsel, along with a request for approval legislation. The Office of Legislative Counsel shall then draft the sponsoring Delegate's requested legislation for the Navajo Nation Council's approval of the Package. A Delegate may choose to sponsor approval legislation regardless of DOJ's determination of ineligibility.
- (H) **Final eligibility determination by Council and President.** Any review of a Funding Request pursuant to this Section 5 shall be considered an "Initial Eligibility Determination" only, as this term is defined in Section 3(B)(15) of these Procedures. The final determination as to whether a Funding Request is approved, or whether DCD is awarded Fiscal Recovery Funds on behalf of a Non-Governance-Certified Chapter shall be made by the Navajo Nation Council and the President pursuant to 2 N.N.C. §221(B), and subject to the provisions of 2 N.N.C. §164 (A)(17).

## **SECTION 6. IMPLEMENTING EXPENDITURE PLANS; REPORTING REQUIREMENTS**

OMB shall provide instructions to the Administrative Oversight entity regarding the budget submission requirements to establish budgets and business unit numbers for awarded funds in the FMIS.
- (C) **Budget information required.** Awarded Funds shall be made available only after DCD submits its appropriate budget information on budget forms as required by OMB. Budgets for expenditure plans that include construction activities must include a budget line item for a contingency reserve in accordance with Section 4(F) of Council Resolution CJY-41-21.
- (D) **Administrative Oversight.** For each approved Funding Request, DCD shall have Administrative Oversight over the Project and the FRF Expenditure Plan on behalf of the Non-Governance-Certified Chapter, and DCD shall procure goods and services on behalf of the Chapter.
- (E) **Providing documents and required reports.** All financial information and documents, such as invoices, copies of checks, records of wire transfers, and bank reconciliations, must be provided by DCD if so requested by OMB or OOC. The report shall include all requested financials and a narrative report on the result of Projects funded.
- (F) **Reversion of Funds.** All Fiscal Recovery Funds not expended in accordance with an approved FRF Expenditure Plan Budget shall automatically and immediately revert back to the Navajo Nation Fiscal Recovery Fund as described in CJY-41-21. All Funds not fully obligated by December 31, 2024 shall likewise revert back to the Navajo Nation Fiscal Recovery Fund.

All proposed modifications, revisions, amendments, or changes to an approved FRF Expenditure Plan or an approved FRF Expenditure Plan Budget, shall comply with the following:

- (A) **Project modifications; no increase in funds.** Project modifications shall not increase the amount of Fiscal Recovery Funds originally approved as described in Section 5(H) of these Procedures. If any Project modification is desired, the Administrative Oversight entity acting on behalf of the Funding Recipient must prepare and submit a new FRF Request Form & Expenditure Plan and a new FRF Expenditure Plan Budget, and shall comply with all applicable provisions of these Procedures. Modifications that change the purpose and intent of the Project as described in the originally-approved FRF Request Form & Expenditure Plan, or that substantially change the scope of work of the project shall require approval by the Navajo Nation Council. DOJ shall make the determination if Council approval of the modification is required. After DOJ has reviewed the request for a Project modification and determined that Council approval is not needed, or after Council approves the modification, the Administrative Oversight entity acting on behalf of the Funding Recipient shall submit a budget revision request to OMB if needed.
- (B) **Revised Forms.** Funding Recipients desiring a modification shall submit, at a minimum, a revised FRF Request Form & Expenditure Plan, an FRF Budget Revision Request, and supporting documents related

to the proposed modification. New signatures shall be required from the appropriate person(s) as provided for in Section 4(C), and all provisions in Sections 4, 5, and 6 of these Procedures shall be followed.

NAVAJO NATION FISCAL RECOVERY FUNDS PROCEDURES  
FOR GOVERNANCE-CERTIFIED CHAPTERS  
REQUESTING NAVAJO NATION FISCAL RECOVERY FUNDS  
UNDER THE AMERICAN RESCUE PLAN ACT OF 2021

## SECTION 1. INTRODUCTION

- (A) **History of ARPA and the Navajo Nation’s FRF allocation.** On March 11, 2021, the American Rescue Plan Act of 2021 (“ARPA”) was signed into law. Section 9901 of ARPA amended Title VI of the Social Security Act to add Sections 602, which established the Coronavirus State Fiscal Recovery Fund, and 603, which established the Coronavirus Local Fiscal Recovery Fund, thereby appropriating Coronavirus State and Local Fiscal Recovery Funds in the amount of \$362 billion for state, local, and tribal governments, including \$20 billion designated for tribal governments. As of August 16, 2021, the United States Department of Treasury has allocated \$2,079,461,464.93 to the Navajo Nation (hereinafter referred to as “Funds”).
- (B) **Guidance to Governance-Certified Chapters seeking Fiscal Recovery Funds.** In preparing a Funding Request, Governance-Certified Chapters must carefully review all provisions of the ARPA and its corresponding regulations, and must also be familiar with the U.S. Treasury Department’s guidance including the Interim Final Rule as amended, and the Treasury Department’s most current Frequently Asked Questions publication. Those seeking Funds must ensure that the Treasury Department will consider all proposed expenditures to be a legal and proper use of such Funds. ARPA instructions and helpful information can be found on the Treasury Department’s website at: <https://home.treasury.gov/policy-issues/coronavirus/assistance-for-state-local-and-tribal-governments/state-and-local-fiscal-recovery-fund/tribal-governments>. Finally, Governance-Certified Chapters seeking Funds should review and understand all provisions of Navajo Nation Council Resolution No. CJY-41-21, which establishes the Navajo Nation’s goals and intent regarding the approval and use of Navajo Nation Fiscal Recovery Funds.

## SECTION 2. ELIGIBLE USES FOR FISCAL RECOVERY FUNDS

Fiscal Recovery Funds shall only be used:

- (A) to respond to the COVID-19 public health emergency or its negative economic impacts, including assistance to households, small businesses, and non-profits; or to provide aid to impacted industries such as tourism, travel, and hospitality;
- (B) to respond to workers performing essential work during the COVID-19 public health emergency by providing premium pay to eligible workers;
- (C) to provide government services to the extent of the reduction in Navajo Nation revenue due to the COVID-19 public health emergency relative to revenues collected in the most recent full fiscal year prior to the emergency; and
- (D) to make necessary investments in water, sewer, or broadband infrastructure.

The U.S. Department of the Treasury has identified 66 Fiscal Recovery Fund expenditure categories for purposes of compliance and reporting. (See “Appendix 1: Expenditure Categories” to Treasury’s “Compliance and Reporting Guidance for State and Local Fiscal Recovery Funds,” dated June 24, 2021, attached hereto as APPENDIX A). To be eligible for an allocation of the Nation’s Fiscal Recovery Funds, each of the proposed expenditures must fall under one of these 66 expenditure categories.

**NOTE: All Fiscal Recovery Funds must be obligated by December 31, 2024, and funded Projects must be completed and all Funds fully spent by December 31, 2026.**

  - (2) FRF Expenditure Plan Budget (see APPENDIX B):
    - (a) the Governance-Certified Chapter shall not request an amount of funds greater than the dollar amount that can be obligated by December 31, 2024 and fully expended by December 31, 2026, or by such other deadline dates that may be determined by the Navajo Nation Council;
    - (b) the Governance-Certified Chapter shall complete the FRF Expenditure Plan Budget using a general summary; NOTE: if/when a Governance-Certified Chapter’s Funding Request is approved as described in Section 5(H) of these Procedures, a more detailed line-item budget must be prepared as instructed by OMB; this detailed budget will be appended to the executed Agreement between the Governance-Certified Chapter and the Navajo Nation;
    - (c) Section 4(F) of Council Resolution CJY-41-21 provides that expenditure plans involving construction activities shall include a contingency reserve consistent with industry standards adequate to cover projected inflation-based cost increases. Therefore, whenever construction activities are included in an expenditure plan, Budget Form 1, and subsequent detailed budgets, must include a budget line item for contingencies.
  - (3) provide a duly approved Chapter Resolution that includes a statement supporting the Project and affirming that the Chapter will only use awarded Funds in compliance with the ARPA, the ARPA Regulations, and all other applicable Navajo Nation and federal laws and regulations;  
NOTE: this provision does not apply to formula-based distributions of Fiscal Recovery Funds to Governance-Certified Chapters;

(4) all other relevant documents in support of the Funding Request.

(C) **Comprehensive Funding Requests for Governance-Certified Chapters.** Instead of individually submitted Funding Requests, a Comprehensive Funding Request may be prepared and submitted for multiple Governance-Certified Chapters, as provided for in Sections (C)(1)-(2) below. Such a Comprehensive Funding Request for multiple Governance-Certified Chapters may be based on a single Project type, and there may be several Comprehensive Funding Requests for multiple Chapter Project types. If a Governance-Certified Chapter chooses to participate in a Comprehensive Funding Request, it must follow Subsections (C)(1)-(2) below.

(1) **Required signatures.** Before submitting its Funding Request Package to DCD, the Governance-Certified Chapter shall obtain the signatures of the Chapter President and the Chapter Manager on its FRF Request Form & Expenditure Plan and on its FRF Expenditure Plan Budget.

(2) **DCD submits Comprehensive Request.** Where a Comprehensive Funding Request is submitted by DCD, the DCD Director shall review, approve, and sign each Governance-Certified Chapter's FRF Request Form & Expenditure Plan and its FRF Expenditure Plan Budget. Each approved Package shall then be included in a Comprehensive Funding Request for Governance-Certified Chapters, that will, in turn, be signed and submitted by the DCD Director, for an Initial Eligibility Determination Review. In preparing the Funding Request and prior to submission to DOJ, DCD shall communicate and coordinate with the NNFRF Office.

(D) **Individual Funding Requests for Governance-Certified Chapters.** Governance-Certified Chapters may directly submit their Funding Requests individually for an Initial Eligibility Determination Review to DOJ. If a Governance-Certified Chapter chooses to directly submit its Package to DOJ, it must follow Sections 4(A)-(B) above and Sections 4(D)(1) below. If a Governance-Certified Chapter chooses to have DCD submit its Package on its behalf, it must follow Sections 4(A)-(B) above and Sections 4(D)(2) below.

(1) **Governance-Certified Chapter submits individual request.** Before submitting its Funding Request Package to DOJ, the Governance-Certified Chapter shall obtain the signatures of the Chapter President and the Chapter Manager on its FRF Request Form & Expenditure Plan and on its FRF Expenditure Plan Budget.

(2) **DCD submits individual request.** Where an individual Funding Request is being submitted to DOJ by DCD, the Governance-Certified Chapter shall obtain the signatures of the Chapter President and the Chapter Manager on its FRF Request Form & Expenditure Plan and on its FRF Expenditure Plan Budget before submitting its Funding Request Package to DCD. Then, the DCD Director shall review, approve, and sign each Governance-Certified Chapter's FRF Request Form & Expenditure Plan and its FRF Expenditure Plan Budget. The DCD Director shall then submit the approved individual Funding Request Package for an Initial Eligibility Determination.

## **SECTION 5. EXPEDITED REVIEW PROCESS; ELIGIBILITY DETERMINATIONS**

(A) **Submitting the Funding Request.** All Funding Requests for Governance-Certified Chapters shall be submitted to DOJ for an Initial Eligibility Determination Review, by completing a DOJ "Request for Services" form. A courtesy copy of the Funding Request Package shall also be submitted to the NNFRF Office, to the OMB Contracts and Grants Section at Docs@omb.navajo-nsn.gov, and to OOC.

(B) **DOJ Review.** DOJ shall conduct an Initial Eligibility Determination Review to determine if all required Forms and documents in each of the Funding Requests are complete, accurate, and meet all applicable requirements; and whether all proposed Project expenditures are eligible for FRF funding. DOJ shall indicate in writing whether or not each Funding Request is deemed eligible for a funding award according

to the criteria listed in Section 5(E) of these Procedures. However, an “eligible” determination does not mean that a Funding Request will be given final approval by the Navajo Nation Council or the President.

- (C) **Expedited time for review.** DOJ shall complete its Initial Eligibility Determination Review within 5 working days of its receipt of a Funding Request, excluding weekends and holidays. Whenever possible, Reviews will be completed the same working day. If the Initial Eligibility Determination Review is not completed within the 5 working days, the Funding Request Package shall be returned to the submitting party, with the notation “REVIEW NOT COMPLETED WITHIN 5 WORKING DAYS.” If DOJ does not complete its review within 5 working days, the submitting party may request that a Delegate sponsor approval legislation for the Funding Request.
- (D) **After review is completed.** Once DOJ completes its Initial Eligibility Determination Review, DOJ shall notify the submitting party and the NNFRF Office that its Initial Eligibility Determination Review is complete, and shall also email the entire Funding Request Package, along with its written determination, back to the submitting party, along with a courtesy copy to the NNFRF Office within the deadline provided for in Section 5(C) above.
- (E) **Ineligibility; rejection of Funding Request.** With written explanation, DOJ may deem a Funding Request ineligible and may reject and return a Funding Request Package back to the submitting party, if:
- (1) any required Form is incomplete, inaccurate, or illegible; or
  - (2) any required Form is not signed by the appropriate person(s) as required in these Procedures; or
  - (3) any portion of the FRF Expenditure Plan template is not fully completed, in accordance with all requirements in Section 3(B)(14) of these Procedures, with fully detailed explanations and information regarding all proposed expenditures of the requested Fiscal Recovery Funds; or
  - (4) any required supporting document is not included with the Funding Request; or
  - (5) any portion of the Funding Request does not fit within the eligible purposes outlined in Section 2 of these Procedures; or
  - (6) all Fiscal Recovery Funds for the Project will not be obligated by December 31, 2024; or
  - (7) delivery of goods or performance of services will not be achieved, the Project will not be completed, and the entire amount of requested Fiscal Recovery Funds will not be fully spent by December 31, 2026; or
  - (8) any question or issue related to the Funding Request that was raised by DOJ and communicated to the submitting party is not satisfactorily addressed in a manner that allows DOJ to meet the review deadline in Section 5(C) of these Procedures; or
  - (9) the Governance-Certified Chapter has failed to complete and timely submit any reports required pursuant to the Navajo Nation CARES Funds Act, and/or the federal Coronavirus Aid, Relief, and Economic Security Act of 2020 (“CARES Act”), if applicable; or
  - (10) approving the Funding Request or awarding Funds to the Governance-Certified Chapter would be inconsistent with any applicable Navajo Nation or federal laws or regulations.
  - (11) Any sanctions imposed upon a Governance-Certified Chapter or a Chapter Official pursuant to 12 N.N.C. §9 shall not be grounds for a determination of ineligibility.
- (F) **Resubmission of Funding Request.** After a determination of ineligibility by DOJ, DOJ shall allow the submitting party one opportunity to correct and resubmit a Funding Request Package. However, if any changes are made to the Project, any required Form(s), the proposed FRF Expenditure Plan, or any supporting documents (including the substitution of any document), revised Forms and new signatures shall then be required from the appropriate person(s) as provided for in Section 4(C) or 4(D) of these Procedures.

- (G) **Preparation of approval legislation.** Once DOJ has completed its Initial Eligibility Determination Review of each Funding Request in a Comprehensive Package submitted by DCD, a Delegate may present the Comprehensive Package to the Office of Legislative Counsel, along with a request for approval legislation. Alternatively, a Delegate may present a Governance-Certified Chapter's individually-submitted Funding Request to the Office of Legislative Counsel, along with a request for approval legislation. In either case, the Office of Legislative Counsel shall then draft the sponsoring Delegate's requested legislation for the Navajo Nation Council's approval of the Funding Request(s) and corresponding FRF Expenditure Plan(s). A Delegate may choose to sponsor approval legislation regardless of DOJ's determination of ineligibility.
- (H) **Approval by Council and President.** Any review of a Funding Request pursuant to this Section 5 shall be considered an Initial Eligibility Determination, as is defined in Section 3(B)(17) of these Procedures. Final approval of a Funding Request, or award of Fiscal Recovery Funds to a Governance-Certified Chapter shall be made by the Navajo Nation Council and the President pursuant to 2 N.N.C. §221(B), and subject to the provisions of 2 N.N.C. §164(A)(17).

## **SECTION 6. IMPLEMENTING EXPENDITURE PLANS; REPORTING REQUIREMENTS**

- (A) **Notification to Funding Recipient.** The approval of a Governance-Certified Chapter's Funding Request as described in Section 5(H) shall serve as formal notice to the Governance-Certified Chapter that it will then be considered a "Funding Recipient."
- (B) **Required Agreements; Administrative Oversight.** All Fiscal Recovery Funds awarded to a Governance-Certified Chapter shall be disbursed, administered, managed, and monitored in accordance with the terms and conditions of an Agreement as defined in Section 3(B)(2) of these Procedures. The required Agreement shall be between the Governance-Certified Chapter and the Navajo Nation. Execution of such agreements for the Navajo Nation shall be made by the President, unless the President delegates such authority to the DCD Director or another individual. Governance-Certified Chapters shall be authorized to receive and disburse awarded Funds, pursuant to the terms and conditions of such executed Agreement; however, DCD shall have Administrative Oversight.
- (C) **Business Unit.** All awards of Fiscal Recovery Funds shall be assigned a Business Unit Number within the Navajo Nation's Financial Management Information System ("FMIS"). OMB shall provide instructions to the Administrative Oversight entity regarding the budget submission requirements to establish budgets and business unit numbers for awarded funds in the FMIS.
- (D) **Budget information required.** Awarded Funds shall be made available only after the Funding Recipient submits its appropriate budget information on budget forms as required by OMB, and the Agreement required by Section 6(B) is fully executed. Budgets for expenditure plans that include construction activities must include a budget line item for a contingency reserve in accordance with Section 4(F) of Council Resolution CJY-41-21.
- (E) **Provision of financial information.** All financial information and documents, such as invoices, copies of checks, records of wire transfers, and bank reconciliations, must be provided by the Funding Recipient if so requested by the Administrative Oversight entity, OMB, or OOC. In addition, all Funding Recipients shall regularly submit to the Administrative Oversight entity, and to OOC and OMB the following reports:
- (1) A quarterly narrative report to be submitted no later than ten (10) business days after the end of each quarter. Each narrative report shall include all of the following:
    - (a) all the Funding Recipient's accomplishments towards meeting the purposes of the Funds award;
    - (b) a description of any significant problems encountered, and a detailed plan as to how those problems will be, or have been, managed and resolved;

- (c) a statement detailing whether the Funding Recipient is on schedule to obligate all awarded Fiscal Recovery Funds by December 31, 2024 (or by a deadline date set by the Navajo Nation Council);
  - (d) a statement detailing whether the Project will be fully completed and all awarded Fiscal Recovery Funds spent by December 31, 2026 (or by a deadline date set by the Navajo Nation Council).
  - (2) A quarterly financial report, in a format as instructed by OOC, to be submitted no later than ten (10) business days after the end of each quarter.
  - (3) A single financial closeout report, in a format as instructed by OOC, to be submitted no later than thirty (30) business days after December 31, 2026, or by an alternate deadline date as determined by the Navajo Nation Council. The report shall include all requested financials and a narrative report on the result of Projects funded.
- (F) **Reversion of Funds.** All Fiscal Recovery Funds not expended in accordance with an approved FRF Expenditure Plan Budget shall automatically and immediately revert back to the Navajo Nation Fiscal Recovery Fund as described in CJY-41-21. All Funds not fully obligated by December 31, 2024 shall likewise revert back to the Navajo Nation Fiscal Recovery Fund.

## **SECTION 7. MONITORING AND OVERSIGHT**

Once a Funding Request is approved and the required Agreement is executed, DCD, the Administrative Oversight entity shall ensure that:

- (A) all documents or reports required by Section 6(E) of these Procedures are timely submitted;
- (B) all awarded Funds are disbursed and expended in accordance with these Procedures, with all provisions of CJY-41-21, the ARPA and ARPA Regulations, and with all applicable federal and Navajo Nation laws, regulations, and policies; and
- (C) the Project's scope of work and performance criteria are being met; and
- (D) all provisions of the approved FRF Expenditure Plan are being followed; and
- (E) recommendations by OMB, OOC, or the Administrative Oversight entity regarding the contents of any required document or report submitted pursuant to Section 6(E) are provided to the appropriate Oversight Committee(s).

## **SECTION 8. MODIFYING EXPENDITURE PLANS OR BUDGETS**

All proposed modifications, revisions, amendments, or changes to an approved FRF Expenditure Plan or an approved FRF Expenditure Plan Budget, shall comply with the following:

- (A) **Project modifications; no increase in funds.** Project modifications shall not increase the amount of Fiscal Recovery Funds originally approved as described in Section 5(H) of these Procedures. If any Project modification is desired, the Administrative Oversight entity acting on behalf of the Funding Recipient must prepare and submit a new FRF Request Form & Expenditure Plan and a new FRF Expenditure Plan Budget, and shall comply with all applicable provisions of these Procedures. Modifications that change the purpose and intent of the Project as described in the originally-approved FRF Request Form & Expenditure Plan, or that substantially change the scope of work of the project shall require approval by the Navajo Nation Council. DOJ shall make the determination if Council approval of the modification is required. Funding Recipients shall comply with the terms and conditions of an executed Agreement, if any, by informing the Administrative Oversight entity of any Project modifications. After DOJ has reviewed the request for a Project modification and determined that Council approval is not needed, or after Council approves the modification, the Administrative Oversight entity acting on behalf of the Funding Recipient shall submit a budget revision request to OMB if needed.

- (B) **Revised Forms.** Funding Recipients desiring a modification shall submit, at a minimum, a revised FRF Request Form & Expenditure Plan, an FRF Budget Revision Request, and supporting documents related to the proposed modification. New signatures shall be required from the appropriate person(s) as provided for in Section 4(C) or 4(D), and all provisions in Sections 4, 5, and 6 of these Procedures shall be followed.
- (C) **Updated Initial Eligibility Determination Review required.** Funding Recipients shall submit their revised FRF Request Form & Expenditure Plan, FRF Budget Revision Request, and supporting documents, to DOJ for an updated Initial Eligibility Determination Review of the proposed modification.
- (D) **Approval of modifications.** Except as described in Section 8(A) above, all modifications must be approved by the Navajo Nation Council and the President pursuant to 2 N.N.C. §221(B), subject to the provisions of 2 N.N.C. §164 (A)(17).

NAVAJO NATION FISCAL RECOVERY FUNDS PROCEDURES  
FOR NAVAJO NATION-OWNED ENTITIES  
REQUESTING NAVAJO NATION FISCAL RECOVERY FUNDS  
UNDER THE AMERICAN RESCUE PLAN ACT OF 2021

**SECTION 1. INTRODUCTION**

- (A) **History of ARPA and the Navajo Nation’s FRF allocation.** On March 11, 2021, the American Rescue Plan Act of 2021 (“ARPA”) was signed into law. Section 9901 of ARPA amended Title VI of the Social Security Act to add Sections 602, which established the Coronavirus State Fiscal Recovery Fund, and 603, which established the Coronavirus Local Fiscal Recovery Fund, thereby appropriating Coronavirus State and Local Fiscal Recovery Funds in the amount of \$362 billion for state, local, and tribal governments, including \$20 billion designated for tribal governments. As of August 16, 2021, the United States Department of Treasury has allocated \$2,079,461,464.93 to the Navajo Nation (hereinafter referred to as “Funds”).
- (B) **Guidance to NN-Owned Entities seeking Fiscal Recovery Funds.** In preparing a Funding Request, Navajo Nation-Owned Entities must carefully review all provisions of the ARPA and its corresponding regulations, and must also be familiar with the U.S. Treasury Department’s guidance including the Interim Final Rule as amended, and the Treasury Department’s most current Frequently Asked Questions publication. Those seeking Funds must ensure that the Treasury Department will consider all proposed expenditures to be a legal and proper use of such Funds. ARPA instructions and helpful information can be found on the Treasury Department’s website at: <https://home.treasury.gov/policy-issues/coronavirus/assistance-for-state-local-and-tribal-governments/state-and-local-fiscal-recovery-fund/tribal-governments>. Finally, Navajo Nation-Owned Entities seeking Funds should review and understand all provisions of Navajo Nation Council Resolution No. CJY-41-21, which establishes the Navajo Nation’s goals and intent regarding the approval and use of Navajo Nation Fiscal Recovery Funds.

**SECTION 2. ELIGIBLE USES FOR FISCAL RECOVERY FUNDS**

Fiscal Recovery Funds shall only be used:

- (A) to respond to the COVID-19 public health emergency or its negative economic impacts, including assistance to households, small businesses, and non-profits; or to provide aid to impacted industries such as tourism, travel, and hospitality;
- (B) to respond to workers performing essential work during the COVID-19 public health emergency by providing premium pay to eligible workers;
- (C) to provide government services to the extent of the reduction in Navajo Nation revenue due to the COVID-19 public health emergency relative to revenues collected in the most recent full fiscal year prior to the emergency; and
- (D) to make necessary investments in water, sewer, or broadband infrastructure.

The U.S. Department of the Treasury has identified 66 Fiscal Recovery Fund expenditure categories for purposes of compliance and reporting. (See “Appendix 1: Expenditure Categories” to Treasury’s “Compliance and Reporting Guidance for State and Local Fiscal Recovery Funds,” dated June 24, 2021, attached hereto as APPENDIX A). To be eligible for an allocation of the Nation’s Fiscal Recovery Funds, each of the proposed expenditures must fall under one of these 66 expenditure categories.

**NOTE: All Fiscal Recovery Funds must be obligated by December 31, 2024, and funded Projects must be completed and all Funds fully spent by December 31, 2026.**

### **SECTION 3. DEFINITIONS OF TERMS**

(A) **Meanings; interpretation.** All capitalized terms used in these Procedures have the specific meaning shown in each of the following Subsections, as opposed to a common or ordinary meaning of the term, and the interpretation of all such terms shall be in accordance with Navajo Nation laws and policies.

(B) **Capitalized terms.**

- (1) “Administrative Oversight” means having the authority to monitor the implementation of an approved FRF Expenditure Plan and the expenditure of awarded Funds.
- (2) “Agreement” means a grant, subrecipient agreement, memorandum of agreement, or any other agreement or contract, produced by DOJ after consultation with OOC and OMB, that is legally binding upon the parties thereto; the term “Agreement” has the same meaning in these Procedures as the term “binding agreement” used in CJY-41-21; as used herein, an “Agreement” governs the receipt, administration, disbursement, management, monitoring, and oversight of awarded Fiscal Recovery Funds and approved FRF Expenditure Plans.
- (3) “ARPA” means the American Rescue Plan Act of 2021 signed into law by U.S. President Joseph Biden on March 11, 2021.
- (4) “ARPA Regulations” means the federal regulations implementing the ARPA, including all Treasury Department guidance and the Treasury Department’s “Interim Final Rule,” as they are amended.

NN-Owned Entities shall not be permitted to independently submit their Funding Requests for an Initial Eligibility Determination Review, and instead must work with a NN Government Unit that will serve as the Administrative Oversight entity. All NN-Owned Entities shall comply with the applicable procedures in this entire Section 4, and all required Forms and documents shall be included in their Funding Request Package.

- (A) **Working with a Division or NN Government Unit.** Based on the type of Project for which Funds are being requested, each NN-Owned Entity shall obtain the assistance and oversight of the appropriate Division or other NN Government Unit having responsibility over the subject matter of the proposed FRF Expenditure Plan (the “Administrative Oversight entity”). If a NN-Owned Entity is uncertain which NN Government Unit should provide such assistance and Administrative Oversight, OMB shall advise. The Director of the Administrative Oversight entity is authorized to submit, a Funding Request Package for an Initial Eligibility Determination Review on a NN-Owned Entity’s behalf. If the Expenditure Plan is approved by the Navajo Nation Council and the President, the Funds shall be administered by the Administrative Oversight entity. For purposes of all Sections of these Procedures, the Director of the Administrative Oversight entity may authorize a designee to act in his/her capacity; and, as used herein “Director” shall include his/her designee. In preparing the Funding Request, and prior to submission to DOJ, the Administrative Oversight entity shall communicate and coordinate with the NNFRF Office.
- (B) **Required Forms and documents.** All NN-Owned Entities shall complete all of the following Forms and documents to be submitted to the Administrative Oversight entity. NOTE: if/when a NN-Owned Entity's Funding Request is approved as described in Section 5(H) of these Procedures, a more detailed line-item budget must be prepared as instructed by OMB using NN Budget Forms 1 through 4; these detailed budgets will be appended to the executed Agreement governing the NN-Owned Entity's Project;
  - (c) Section 4(F) of Council Resolution CJY-41-21 provides that expenditure plans involving construction activities shall include a contingency reserve consistent with industry standards adequate to cover projected inflation-based cost increases. Therefore, whenever construction activities are included in an expenditure plan, Budget Form 1, and subsequent detailed budgets, must include a budget line item for contingencies.

If no Director is available, the NN-Owned Entity may obtain review and approval signature from the President or other Branch Chief with oversight authority over the Expenditure Plan, and the Branch Chief may then submit the Funding Request for an Initial Eligibility Determination Review. In preparing the Request and prior to submission to DOJ, the Administrative Oversight entity shall communicate and coordinate with the NNFRF Office.

## **SECTION 5. EXPEDITED REVIEW PROCESS; ELIGIBILITY DETERMINATIONS**

- (A) **Submitting the Funding Request.** All Funding Requests for NN-Owned Entities shall be submitted to DOJ by the Administrative Oversight entity, for an Initial Eligibility Determination Review, by completing a DOJ "Request for Services" form. A courtesy copy of the Funding Request Package shall also be submitted to the NNFRF Office, OMB Contracts and Grants Section at Docs@omb.navajonnsn.gov, and to OOC.
- (B) **DOJ Review.** DOJ shall conduct an Initial Eligibility Determination Review to determine if all required Forms and documents in each of the Funding Requests are complete, accurate, and meet all applicable requirements; and whether all proposed Project expenditures are eligible for FRF funding. DOJ shall indicate in writing whether or not each Funding Request is deemed eligible for a funding award according to the criteria listed in Section 5(E) of these Procedures. However, an "eligible" determination does not mean that a Funding Request will be given final approval by the Navajo Nation Council or the President.

- (C) **Expedited time for review.** DOJ shall complete its Initial Eligibility Determination Review within 5 working days of its receipt of a Funding Request, excluding weekends and holidays. Whenever possible, Reviews will be completed the same working day. If the Initial Eligibility Determination Review is not completed within the 5 working days, the Funding Request Package shall be returned to the submitting party, with the notation: “REVIEW NOT COMPLETED WITHIN 5 WORKING DAYS.” If DOJ does not complete its review within 5 working days, the submitting party may request that a Delegate sponsor approval legislation for the Funding Request.
- (D) **After review is completed.** Once DOJ completes its Initial Eligibility Determination Review, DOJ shall notify the Funding Request submitting party that its Review is complete, and shall also email the entire Funding Request Package, along with its written determination, back to the submitting party, along with a courtesy copy to the NNFRF Office, within the deadline provided for in Section 5(C) above.
- (E) **Ineligibility; rejection of Funding Request.** With written explanation, DOJ may deem a Funding Request ineligible and may reject and return a Funding Request Package back to the submitting party, if:
- (1) any required Form is incomplete, inaccurate, or illegible; or
  - (2) any required Form is not signed by the appropriate person(s) as required in these Procedures; or
  - (3) any portion of the FRF Expenditure Plan template is not fully completed, in accordance with all requirements in Section 3(B)(12) of these Procedures, with fully detailed explanations and information regarding all proposed expenditures of the requested Fiscal Recovery Funds; or
  - (4) any required supporting document is not included with the Funding Request; or
  - (5) any portion of the Funding Request does not fit within the eligible purposes outlined in Section 2 of these Procedures; or
  - (6) all Fiscal Recovery Funds for the Project will not be obligated by December 31, 2024; or
  - (7) delivery of goods or performance of services will not be achieved, the Project will not be completed, and the entire amount of requested Fiscal Recovery Funds will not be fully spent by December 31, 2026; or
  - (8) any question or issue related to the Funding Request that was raised by DOJ and communicated to the NN-Owned Entity is not satisfactorily addressed in a manner that allows DOJ to meet the review deadline in Section 5(C) of these Procedures; or
  - (9) the NN-Owned Entity has failed to return Navajo Nation CARES Funds owed to the Nation or to complete and timely submit any reports required pursuant to the Navajo Nation CARES Funds Act, and/or the federal Coronavirus Aid, Relief, and Economic Security Act of 2020 (“CARES Act”), if applicable; or
  - (10) approving the Funding Request or awarding Funds to the NN-Owned Entity would be inconsistent with any applicable Navajo Nation or federal laws or regulations.
- (F) **Resubmittal of Funding Request.** After a determination of ineligibility by DOJ, DOJ shall allow the Administrative Oversight entity one opportunity to correct and resubmit a Funding Request Package. However, if any changes are made to the Project, any required Form(s), the proposed FRF Expenditure Plan, or any supporting documents (including the substitution of any document), revised Forms and new signatures shall then be required from the appropriate person(s) as provided for in Sections 4(C) and 4(D) of these Procedures.
- (G) **Preparation of approval legislation.** Once DOJ has completed its Initial Eligibility Determination Review of a NN-Owned Entity’s Package, a Delegate may present the Package to the Office of Legislative Counsel, along with a request for approval legislation. The Office of Legislative Counsel shall then draft the sponsoring Delegate’s requested legislation for the Navajo Nation Council’s approval of the Package. A Delegate may choose to sponsor approval legislation regardless of DOJ’s determination of ineligibility.

- (H) **Final eligibility determination by Council and President.** Any review of a Funding Request pursuant to this Section 5 shall be considered an “Initial Eligibility Determination” only, as this term is defined in Section 3(B)(15) of these Procedures. The final determination as to whether a Funding Request is approved, or whether a NN-Owned Entity is awarded Fiscal Recovery Funds shall be made by the Navajo Nation Council and the President pursuant to 2 N.N.C. §221(B), and subject to 2 N.N.C. §164 (A)(17).

## **SECTION 6. IMPLEMENTING EXPENDITURE PLANS; REPORTING REQUIREMENTS**

- (D) **Budget information required.** Awarded Fiscal Recovery Funds shall be made available only after the Agreement required by Section 6(B) is executed and the Funding Recipient submits its appropriate budget information on NN Budget Forms 1 through 4 as required by OMB, which Forms shall be appended to the Agreement. Budgets for expenditure plans that include construction activities must include a budget line item for a contingency reserve in accordance with Section 4(F) of Council Resolution CJY-41-21.
- (E) **Provision of financial information.** All financial information and documents, such as invoices, copies of checks, records of wire transfers, and bank reconciliations, must be provided by the Funding Recipient if so requested by the Administrative Oversight entity, OMB, or OOC. Modifications that change the purpose and intent of the Project as described in the originally-approved FRF Request Form & Expenditure Plan, or that substantially change the scope of work of the project shall require approval by the Navajo Nation Council. DOJ shall make the determination if Navajo Nation Council approval of the modification is required. Funding Recipients shall comply with the terms and conditions of an executed Agreement, if any, by informing the Administrative Oversight entity of any Project modifications. After DOJ has reviewed the request for a Project modification and determined that Council approval is not needed, or after Council approves the modification, the Administrative Oversight entity acting on behalf of the Funding Recipient shall submit a budget revision request to OMB if needed.

UNDER THE AMERICAN RESCUE PLAN ACT OF 2021

## SECTION 1. INTRODUCTION

- (A) **History of ARPA and the Navajo Nation's FRF allocation.** On March 11, 2021, the American Rescue Plan Act of 2021 ("ARPA") was signed into law. Section 9901 of ARPA amended Title VI of the Social Security Act to add Sections 602, which established the Coronavirus State Fiscal Recovery Fund, and 603, which established the Coronavirus Local Fiscal Recovery Fund, thereby appropriating Coronavirus State and Local Fiscal Recovery Funds in the amount of \$362 billion for state, local, and tribal governments, including \$20 billion designated for tribal governments. As of August 16, 2021, the United States Department of Treasury has allocated \$2,079,461,464.93 to the Navajo Nation (hereinafter referred to as "Funds").
- (B) **Guidance to External Entities seeking Fiscal Recovery Funds.** In preparing a Funding Request, External Entities must carefully review all provisions of the ARPA and its corresponding regulations, and must also be familiar with the U.S. Treasury Department's guidance including the Interim Final Rule as amended, and the Treasury Department's most current Frequently Asked Questions publication. Those seeking Funds must ensure that the Treasury Department will consider all proposed expenditures to be a legal and proper use of such Funds. ARPA instructions and helpful information can be found on the Treasury Department's website at: <https://home.treasury.gov/policy-issues/coronavirus/assistance-for-state-local-and-tribal-governments/state-and-local-fiscal-recovery-fund/tribal-governments>. Finally, External Entities seeking Funds should review and understand all provisions of Navajo Nation Council Resolution No. CJY-41-21, which establishes the Navajo Nation's goals and intent regarding the approval and use of Navajo Nation Fiscal Recovery Funds.

## SECTION 2. ELIGIBLE USES FOR FISCAL RECOVERY FUNDS

Fiscal Recovery Funds shall only be used:

- (A) to respond to the COVID-19 public health emergency or its negative economic impacts, including assistance to households, small businesses, and non-profits; or to provide aid to impacted industries such as tourism, travel, and hospitality;
- (B) to respond to workers performing essential work during the COVID-19 public health emergency by providing premium pay to eligible workers;
- (C) to provide government services to the extent of the reduction in Navajo Nation revenue due to the COVID-19 public health emergency relative to revenues collected in the most recent full fiscal year prior to the emergency; and
- (D) to make necessary investments in water, sewer, or broadband infrastructure.

The U.S. Department of the Treasury has identified 66 Fiscal Recovery Fund expenditure categories for purposes of compliance and reporting. (See "Appendix 1: Expenditure Categories" to Treasury's "Compliance and Reporting Guidance for State and Local Fiscal Recovery Funds," dated June 24, 2021, attached hereto as APPENDIX A). To be eligible for an allocation of the Nation's Fiscal Recovery Funds, each of the proposed expenditures must fall under one of these 66 expenditure categories.

**NOTE: All Fiscal Recovery Funds must be obligated by December 31, 2024, and funded Projects must be completed and all Funds fully spent by December 31, 2026.**

#### **SECTION 4. PREPARING A REQUEST FOR FISCAL RECOVERY FUNDS**

External Entities shall not be permitted to independently submit their Funding Requests for an Initial Eligibility Determination Review, and instead must work with a NN Government Unit that will serve as the Administrative Oversight entity. All External Entities shall comply with the applicable procedures in this entire Section 4, and all required Forms and documents shall be included in their Funding Request Package.

- (A) **Working with a Division or NN Government Unit.** Based on the type of Project for which Funds are being requested, each External Entity shall obtain the assistance and oversight of the appropriate Division or other NN Government Unit having responsibility over the subject matter of the proposed FRF Expenditure Plan (the “Administrative Oversight entity”). If an External Entity is uncertain which NN Government Unit should provide such assistance and Administrative Oversight, OMB shall advise. The Director of the Administrative Oversight entity is authorized to submit a Funding Request Package for an Initial Eligibility Determination Review on an External Entity’s behalf. If the Expenditure Plan is approved by the Navajo Nation Council and the President, the Funds shall be administered by the Administrative Oversight entity. For purposes of all Sections of these Procedures, the Director of the Administrative Oversight entity may authorize a designee to act in his/her capacity; and, as used herein “Director” shall include his/her designee. In preparing the Funding Request, and prior to submission to DOJ, the Administrative Oversight entity shall communicate and coordinate with the NNFRF Office.
- (B) **Required Forms and documents.** All External Entities shall complete all of the following Forms and documents to be submitted to the Administrative Oversight entity. All such Forms and documents shall be made Exhibits to the legislation presented to the Navajo Nation Council for approval of their Funding Request:
  - (1) FRF Request Form & Expenditure Plan (see APPENDIX A);
  - (2) Navajo Nation Budget Form 1 (see APPENDIX B):
    - (a) the External Entity shall not request an amount of funds greater than the dollar amount that can be obligated by December 31, 2024 and fully expended by December 31, 2026, or by such other deadline dates that may be determined by the Navajo Nation Council;

- (b) the External Entity shall complete the NN Budget Form 1 using a general summary;  
NOTE: if/when an External Entity's Funding Request is approved as described in Section 5(H) of these Procedures, a more detailed line-item budget must be prepared as instructed by OMB using NN Budget Forms 1 through 4; these detailed budgets will be appended to the executed Agreement governing the External Entity's Project;
- (c) Section 4(F) of Council Resolution CJY-41-21 provides that expenditure plans involving construction activities shall include a contingency reserve consistent with industry standards adequate to cover projected inflation-based cost increases. Therefore, whenever construction activities are included in an expenditure plan, Budget Form 1, and subsequent detailed budgets, must include a budget line item for contingencies.
- (3) provide a duly approved Resolution from the External Entity's Board of Directors or equivalent body, which must include statements: (i) requesting the funding (with the specific dollar amount requested); (ii) describing the Project to be funded, and how the purposes of the ARPA will be satisfied; and (iii) affirming that the External Entity will only use awarded funds in compliance with the ARPA, the ARPA Regulations, and all other applicable Navajo Nation and federal laws and regulations;
- (4) registration documents issued by the Business Regulatory Department of the Navajo Nation Division of Economic Development, showing proper registration and authorization for the External Entity to conduct business within the Navajo Nation;
- (5) a Certificate of Good Standing for the External Entity, issued by the Business Regulatory Department of the Navajo Nation Division of Economic Development, dated within 90 days of the date of submission of the Funding Request;
- (6) all other relevant documents in support of the Funding Request.
- (C) **Required signatures.** Before submitting its Funding Request Package to the Administrative Oversight entity, the External Entity shall obtain the signature of both the Chairperson, President, or equivalent, of the External Entity's Board; and also its Chief Executive Officer, or equivalent, on its FRF Request Form & Expenditure Plan and on its NN Budget Form 1.
- (D) **Authorization to submit.** The Director of the Administrative Oversight entity shall review, approve, and sign each External Entity's FRF Request Form & Expenditure Plan and its FRF Expenditure Plan Budget, and then submit on behalf of the External Entity, its Funding Request Package for an Initial Eligibility Determination Review. If no Director is available, the External Entity may obtain review and approval signature from the President or other Branch Chief with oversight authority over the Expenditure Plan, and the Branch Chief may then submit the Funding Request for an Initial Eligibility Determination Review. In preparing the Request and prior to submission to DOJ, the Administrative Oversight entity shall communicate and coordinate with the NNFRF Office.
- (E) **Requesting clearances.** As the first step in preparing its Funding Request Package, the Administrative Oversight entity, on behalf of the External Entity, should immediately submit requests for clearances pursuant to 12 N.N.C. §1505, to the Navajo Nation Division of Economic Development, the Office of the Navajo Tax Commission, to the Navajo Nation Shopping Centers, Inc., and to other entities as determined by DOJ. The External Entity shall certify that it has not been debarred, suspended, or otherwise formally penalized by any Navajo Nation, federal, state, or other tribal entity. Such clearances and certification need not be included in the External Entity's Funding Request Package submitted for an Initial Eligibility Determination Review; however, all such clearances and proof, no older than thirty calendar days, must be presented prior to the execution of the required Agreement described in Section 6(B) of these Procedures.

**SECTION 5. EXPEDITED REVIEW PROCESS; ELIGIBILITY DETERMINATIONS**

- (A) **Submitting the Funding Request.** All Funding Requests for External Entities shall be submitted to DOJ by the Administrative Oversight entity for an Initial Eligibility Determination Review, by completing a DOJ “Request for Services” form. A courtesy copy of the Funding Request Package shall also be submitted to the NNFRF Office, OMB Contracts and Grants Section at Docs@omb.navajo-nsn.gov, and to OOC.
- (B) **DOJ Review.** DOJ shall conduct an Initial Eligibility Determination Review to determine if all required Forms and documents in each of the Funding Requests are complete, accurate, and meet all applicable requirements; and whether all proposed Project expenditures are eligible for FRF funding. DOJ shall indicate in writing whether or not each Funding Request is deemed eligible for a funding award according to the criteria listed in Section 5(E) of these Procedures. However, an “eligible” determination does not mean that a Funding Request will be given final approval by the Navajo Nation Council or the President.
- (C) **Expedited time for review.** DOJ shall complete its Initial Eligibility Determination Review within 5 working days of its receipt of a Funding Request, excluding weekends and holidays. Whenever possible, Reviews will be completed the same working day. If the Initial Eligibility Determination Review is not completed within the 5 working days, the Funding Request Package shall be returned to the submitting party, with the notation: “REVIEW NOT COMPLETED WITHIN 5 WORKING DAYS.” If DOJ does not complete its review within 5 working days, the submitting party may request that a Delegate sponsor approval legislation for the Funding Request.
- (D) **After review is completed.** Once DOJ completes its Initial Eligibility Determination Review, DOJ shall notify the Funding Request submitting party that its Review is complete, and shall also email the entire Funding Request Package, along with its written determination, back to the submitting party, along with a courtesy copy to the NNFRF Office, within the deadline provided for in Section 5(C) above.
- (E) **Ineligibility; rejection of Funding Request.** With written explanation, DOJ may deem a Funding Request ineligible and may reject and return a Funding Request Package back to the submitting party, if:
- (1) any required Form is incomplete, inaccurate, or illegible; or
  - (2) any required Form is not signed by the appropriate person(s) as required in these Procedures; or
  - (3) any portion of the FRF Expenditure Plan template is not fully completed, in accordance with all requirements in Section 3(B)(13) of these Procedures, with fully detailed explanations and information regarding all proposed expenditures of the requested Fiscal Recovery Funds; or
  - (4) any required supporting document is not included with the Funding Request; or
  - (5) any portion of the Funding Request does not fit within the eligible purposes outlined in Section 2 of these Procedures; or
  - (6) all Fiscal Recovery Funds for the Project will not be obligated by December 31, 2024; or
  - (7) delivery of goods or performance of services will not be achieved, the Project will not be completed, and the entire amount of requested Fiscal Recovery Funds will not be fully spent by December 31, 2026; or
  - (8) any question or issue related to the Funding Request that was raised by DOJ and communicated to the External Entity is not satisfactorily addressed in a manner that allows DOJ to meet the review deadline in Section 5(C) of these Procedures; or
  - (9) the External Entity has failed to return Navajo Nation CARES Funds owed to the Nation or to complete and timely submit any reports required pursuant to the Navajo Nation CARES Funds Act, and/or the federal Coronavirus Aid, Relief, and Economic Security Act of 2020 (“CARES Act”), if applicable; or
  - (10) approving the Funding Request or awarding Funds to the External Entity would be inconsistent with any applicable Navajo Nation or federal laws or regulations.

- (F) **Resubmittal of Funding Request.** After a determination of ineligibility by DOJ, DOJ shall allow the Administrative Oversight entity one opportunity to correct and resubmit a Funding Request Package. However, if any changes are made to the Project, any required Form(s), the proposed FRF Expenditure Plan, or any supporting documents (including the substitution of any document), revised Forms and new signatures shall then be required from the appropriate person(s) as provided for in Section 4(C) and 4(D) of these Procedures.
- (G) **Preparation of approval legislation.** Once DOJ has completed its Initial Eligibility Determination Review of an External Entity's Package, a Delegate may present the Package to the Office of Legislative Counsel, along with a request for approval legislation. The Office of Legislative Counsel shall then draft the sponsoring Delegate's requested legislation for the Navajo Nation Council's approval of the Package. A Delegate may choose to sponsor approval legislation regardless of DOJ's determination of ineligibility.
- (H) **Final eligibility determination by Council and President.** Any review of a Funding Request pursuant to this Section 5 shall be considered an "Initial Eligibility Determination" only, as this term is defined in Section 3(B)(16) of these Procedures. The final determination as to whether a Funding Request is approved, or whether an External Entity is awarded Fiscal Recovery Funds shall be made by the Navajo Nation Council and the President pursuant to 2 N.N.C. §221(B), and subject to the provisions of 2 N.N.C. §164(A)(17).

## **SECTION 6. IMPLEMENTING EXPENDITURE PLANS; REPORTING REQUIREMENTS**

- (A) **Notification to Funding Recipient.** The approval of an External Entity's Funding Request as described in Section 5(H) shall serve as formal notice to the External Entity that it is a "Funding Recipient."
- (B) **Required Agreements; Administrative Oversight.** All Fiscal Recovery Funds awarded to an External Entity shall be disbursed, administered, managed, and monitored in accordance with the terms and conditions of an Agreement as defined in Section 3(B)(2) of these Procedures. The required Agreement shall be between the External Entity and the Navajo Nation, and shall be executed for the Navajo Nation by the Director of the Administrative Oversight entity. External Entities shall be authorized to receive and expend awarded Funds on their own, pursuant to the terms and conditions of such executed Agreement, however, Administrative Oversight shall be retained by the Administrative Oversight entity.
- (C) **Clearances prior to execution.** Before the required Agreement for awarded Funds is executed, the Administrative Oversight entity shall ensure that:
  - (1) the External Entity is eligible to do business with the Navajo Nation pursuant to 12 N.N.C. §1505, regardless whether or not the External Entity has filed an appeal challenging an ineligibility decision; eligibility under this Section 6(C)(1) shall be determined by the clearances issued by the Division of Economic Development, the Office of the Navajo Tax Commission, the Navajo Nation Shopping Centers, Inc., and any other entities as determined by DOJ; and
  - (2) the External Entity has certified that it has not been debarred, suspended, or otherwise formally penalized by any Navajo Nation, federal, state, or other tribal entity, regardless whether or not the External Entity has filed an appeal challenging any such action; and
  - (3) all clearances shall be no older than thirty calendar days prior to the execution of the required Agreement for awarded funds.
- (D) **Business Unit.** All awards of Fiscal Recovery Funds shall be assigned a Business Unit Number within the Navajo Nation's Financial Management Information System ("FMIS"). OMB shall provide instructions to the Administrative Oversight entity regarding the budget submission requirements to establish budgets and business unit numbers for awarded funds in the FMIS. OMB shall require submission of NN Budget Forms 1 through 4 and shall issue a Transmittal to authorize implementation of funding.

- (E) **Budget information required.** Awarded Fiscal Recovery Funds shall be made available only after the Agreement required by Section 6(B) is executed and the Funding Recipient submits its appropriate budget information on NN Budget Forms 1 through 4 as required by OMB, which Forms shall be appended to the Agreement. Budgets for expenditure plans that include construction activities must include a budget line item for a contingency reserve in accordance with Section 4(F) of Council Resolution CJY-41-21.
- (F) **Provision of financial information.** All financial information and documents, such as invoices, copies of checks, records of wire transfers, and bank reconciliations, must be provided by the Funding Recipient if so requested by the Administrative Oversight entity, OMB, or OOC. In addition, all Funding Recipients shall regularly submit to the Administrative Oversight entity, and to OOC and OMB the following reports:
- (1) A quarterly narrative report to be submitted no later than ten (10) business days after the end of each quarter. Each narrative report shall include all of the following:
    - (a) all the Funding Recipient's accomplishments towards meeting the purposes of the Funds award;
    - (b) a description of any significant problems encountered, and a detailed plan as to how those problems will be, or have been, managed and resolved;
    - (c) a statement detailing whether the Funding Recipient is on schedule to obligate all awarded Fiscal Recovery Funds by December 31, 2024 (or other deadline date set by the Navajo Nation Council);
    - (d) a statement detailing whether the Project will be fully completed and all awarded Fiscal Recovery Funds spent by December 31, 2026 (or other deadline date set by the Navajo Nation Council).
  - (2) A quarterly financial report, in a format as instructed by OOC, to be submitted no later than ten (10) business days after the end of each quarter.
  - (3) A single financial closeout report, in a format as instructed by OOC, to be submitted no later than thirty (30) business days after December 31, 2026, or by an alternate deadline date set by the Navajo Nation Council. The report shall include all requested financials and a narrative report on the result of Projects funded.
- (G) **Reversion of Funds.** All Fiscal Recovery Funds not expended in accordance with an approved FRF Expenditure Plan Budget shall automatically and immediately revert back to the Navajo Nation Fiscal Recovery Fund as described in CJY-41-21. All Funds not fully obligated by December 31, 2024 shall likewise revert back to the Navajo Nation Fiscal Recovery Fund.

## **SECTION 7. MONITORING AND OVERSIGHT**

Once a Funding Request is approved and the required Agreement is executed, the Administrative Oversight entity shall ensure that:

- (A) all documents or reports required by Section 6(F) of these Procedures are timely submitted; and
- (B) all awarded Funds are disbursed and expended in accordance with these Procedures, with all provisions of CJY-41-21, the ARPA and ARPA Regulations, and with all applicable federal and Navajo Nation laws, regulations, and policies; and
- (C) the Project's scope of work and performance criteria are being met; and
- (D) all provisions of the approved FRF Expenditure Plan are being followed; and
- (E) recommendations by OMB, OOC, or the Administrative Oversight entity regarding the contents of any required document or report submitted pursuant to Section 6(F) are provided to the appropriate Oversight Committee(s).

**SECTION 8. MODIFYING EXPENDITURE PLANS OR BUDGETS**

All proposed modifications, revisions, amendments, or changes to an approved FRF Expenditure Plan or an approved FRF Expenditure Plan Budget, shall comply with the following:

- (A) **Project modifications; no increase in funds.** Project modifications shall not increase the amount of Fiscal Recovery Funds originally approved as described in Section 5(H) of these Procedures. If any Project modification is desired, the Administrative Oversight entity acting on behalf of the Funding Recipient must prepare and submit a new FRF Request Form & Expenditure Plan and a new FRF Expenditure Plan Budget, and shall comply with all applicable provisions of these Procedures. Modifications that change the purpose and intent of the Project as described in the originally-approved FRF Request Form & Expenditure Plan, or that substantially change the scope of work of the project shall require approval by the Navajo Nation Council. DOJ shall make the determination if Navajo Nation Council approval of the modification is required. Funding Recipients shall comply with the terms and conditions of an executed Agreement, if any, by informing the Administrative Oversight entity of any Project modifications. After DOJ has reviewed the request for a Project modification and determined that Council approval is not needed, or after Council approves the modification, the Administrative Oversight entity acting on behalf of the Funding Recipient shall submit a budget revision request to OMB if needed.
- (B) **Revised Forms.** Funding Recipients desiring a modification shall submit, at a minimum, a revised FRF Request Form & Expenditure Plan, an FRF Budget Revision Request, and supporting documents related to the proposed modification. New signatures shall be required from the appropriate person(s) as provided for in Sections 4(C) and 4(D), and all provisions in Sections 4, 5, and 6 of these Procedures shall be followed.
- (C) **Updated Initial Eligibility Determination Review required.** Funding Recipients shall submit their revised FRF Request Form & Expenditure Plan, FRF Budget Revision Request, and supporting documents, to DOJ for an updated Initial Eligibility Determination Review of the proposed modification.
- (D) **Approval of modifications.** Except as described in Section 8(A) above, all modifications must be approved by the Navajo Nation Council and the President pursuant to 2 N.N.C. §221(B), subject to the provisions of 2 N.N.C. §164 (A)(17).
