American Rescue Plan Act of 2021: Summary

The U.S. House of Representatives on March 10, 2021, passed the Senate-amended H.R. 1319, the American Rescue Plan (ARP). The ARP provides \$1.9 trillion in additional relief to respond to the novel coronavirus (COVID-19). This follows the enactment of nearly \$4 trillion in COVID relief in 2020. President Joe Biden called for Congress to enact the ARP to provide relief for individuals and business struggling due to COVID-19, as well as to achieve other priorities of the Biden Administration and Congress. ARP includes provisions on aid to state and local governments, hard-hit industries and communities, tax changes affecting individuals and business, and other provisions.

The latest COVID relief legislation was enacted as part of Congress' fiscal year (FY) 2021 budget, and includes provisions impacting a wide variety of stakeholders. The following chart highlights some noteworthy provisions.

	Key Provisions of American Rescue Plan
Agriculture	 Food supply chain and agriculture pandemic response Provides \$4 billion for the U.S. Department of Agriculture (USDA) Secretary to: Purchase food and agricultural commodities Purchase and distribute agricultural commodities (including fresh produce, dairy, seafood, eggs and meat) to individuals in need Make grants and loans for small or midsized food processors or distributors, producers or other organizations to respond to COVID Make loans and grants to maintain and improve food and agricultural supply chain resiliency Provides \$300 million to monitor and survey susceptible animals for incidents of COVID Provides \$100 million to reduce the amount of overtime inspection costs of federally inspected small establishments and very small establishments engaged in meat processing Emergency rural development grants for rural healthcare Provides \$500 million to establish an emergency pilot program within 150 days after the enactment of ARP to increase capacity for vaccine distribution, purchase medical supplies, reimburse lost revenue, increase telehealth capabilities, construct temporary or permanent structures to provide healthcare services, support staffing needs for vaccine administration and testing, and engage in other efforts to support rural healthcare facilities in addressing COVID
	 Pandemic program administration funds Provides \$47.5 million for necessary expenditures associated with carrying out the agriculture subtitle
	 Funding for the USDA Office of Inspector General for oversight of COVID-related programs Provides \$2.5 million for audits, investigations and other oversight activities carried out with funds made available to the USDA related to the COVID pandemic
	 Farm loan assistance for socially disadvantaged farmers and ranchers Provides that the USDA Secretary shall provide a payment up to 120 percent of the outstanding indebtedness of each socially disadvantaged farmer or rancher as of Jan. 1, 2021, to pay off the loan directly or to the

	socially disadvantaged farmer or rancher for a direct farm loan or farm loan guaranteed by the Secretary
	USDA assistance and support for socially disadvantaged farmers, ranchers, forest
	 Iand owners and operators, and groups Provides \$1.01 billion to provide assistance for socially disadvantaged farmers, ranches, forest land owners, operators and groups, including: not less than 5 percent to provide outreach, mediation, financial training, capacity building training, cooperative development training and support, and other technical assistance not less than 5 percent to provide grants and loans to improve land access for socially disadvantaged farmers, ranchers or forest landowners not less than 0.5 percent to support the activities of equity commissions not less than 5 percent to support research, education and extension, including scholarships and internships that provide pathways to federal employment not less than 5 percent to provide assistance to socially disadvantaged farmers, ranchers who have suffered adverse actions, past discrimination or bias
	 <u>Use of the Commodity Credit Corporation (CCC) for commodities and associated</u> <u>expenses</u> Provides \$800 million for the CCC to acquire and make available commodities under Section 406(b) of the Food for Peace Act
	 Supplemental nutrition assistance program (SNAP) Extends the 15 percent increase in SNAP benefits through Sept. 30, 2021, to address the hunger crisis. Provides \$1.15 billion for SNAP. Of these funds: \$15 million for the management and oversight of the program \$1.135 billion to make grants to each state agency for fiscal years 2021-2023: 75 percent of funds will be distributed based on the share of each state's households that participated in the program for the most recent 12-month period 25 percent of funds will be distributed based on the increased number of households that participated in the program for the most recent 12-month period 20 program for the most recent 12-month period 25 percent of households that participated in the program for the most recent 12-month period 25 percent of households that participated in the program for the most recent 12-month period
Nutrition Assistance	 Additional assistance for SNAP online purchasing and technology improvements Provides \$25 million to make technological improvements to improve online purchasing, modernize electronic benefit transfer technology, support mobile technologies demonstration projects and provide technical assistance to educate retailers on the online acceptance of SNAP benefits
	 <u>Additional funding for nutrition assistance programs</u> Provides \$1 billion in nutrition assistance for the Commonwealth of Northern Mariana Islands, Puerto Rico and American Samoa
	 <u>Commodity supplemental food program</u> Provides \$37 million for the commodity distribution program to maintain the traditional levels of assistance for food assistance programs, including but not limited to, distribution to institutions (including hospitals and facilities caring for needy infants and children), supplemental feeding programs serving women, infants and children (WIC) or elderly persons, disaster areas, summer camps for children, the Trust Territory of the

	Pacific Islands and tribal organization requests for the distribution of federally donated foods pursuant to Section 4(b) of the Food and Nutrition Act of 2008
	 Improvements to WIC benefits Provides \$490 million to increase cash vouchers for any state agency that notifies the Secretary of the Department of Agriculture of the intent to use the increased amounts. The authority of a state agency to increase the amount of a cash-value voucher will terminate on Sept. 30, 2021
	 <u>WIC program modernization</u> Provides \$390 million to carry out outreach, innovation and program modernization efforts, including appropriate waivers and flexibility, to increase participate in and redemption of benefits under programs established under Section 17 of the Child Nutrition Act of 1966
	 Meals and supplements reimbursements for individuals who have not attained the age of 25 Permits the Secretary of the Department of Agriculture to reimburse emergency shelter institutions for meals and supplements serving individuals who are under the age of 25 and are receiving assistance, including non-residential assistance, from the emergency shelter
	 Pandemic Electronic Benefit Transfer (P-EBT) program Amends Section 1101 of the Families First Coronavirus Response Act to permit a state agency to extend a state agency plan for 90 days for the purpose of operating a program during a covered summer period when the school lunch program under the Richard B. Russell National School Lunch Act or the school breakfast program under Section 4 of the Child Nutrition Act of 1966 (42 U.S.C. 1773) and covered child care facilities are closed
Education	 <u>K-12 Education</u> Nearly \$122 billion for the K-12 General Stabilization Fund \$2.6 billion for State Special Education Grants under the Individuals with Disabilities Education Act (IDEA), to be used in FY 2021. \$800 million to help children experiencing homelessness Stipulations for use: States are required to sub-grant at least 90 percent of the Elementary and Secondary School Emergency Relief Fund (ESSERF) to school districts according to Title I of the Every Student Succeeds Act (ESSA) – this includes charter schools that are considered Local Educational Agencies (SEAs) need to reserve at least 5 percent and LEAs must reserve at least 20 percent to "address learning loss through the implementation of evidence-based interventions, such as summer learning or summer enrichment, extended day, comprehensive afterschool programs, or extended school year programs, and ensure that such interventions respond to students' academic, social, and emotional needs" States need to disseminate the funding within 60 days of receipt; within 30 days of getting the new relief funding, school districts have to publish "a plan for the safe return to in-person instruction" if they have not already done so
	 Improvements to WIC benefits Provides \$490 million to increase cash vouchers for any state agency to increase the amount of a cash-value voucher will terminate on Sept. 30, 2021 WIC program modernization Provides \$390 million to carry out outreach, innovation and program modernization efforts, including appropriate waivers and flexibility, to increase participate in and redemption of benefits under programs established under Section 17 of the Child Nutrition Act of 1966 Meals and supplements reimbursements for individuals who have not attained t age of 25 Permits the Secretary of the Department of Agriculture to reimburse emergency shelter institutions for meals and supplements serving individuals who are under the age of 25 and are receiving assistance, including non-residential assistance, from the emergency shelter Pandemic Electronic Benefit Transfer (P-EBT) program Amends Section 1101 of the Families First Coronavirus Response Act t permit a state agency to extend a state agency plan for 90 days for the purpose of operating a program under the Richard B. Russell National School Lunc Act or 1966 (42 U.S.C. 1773) and covered child care facilities are closer K-12 Education Nearly \$122 billion for the K-12 General Stabilization Fund \$2.6 billion for State Special Education Grants under the Individuals wit Disabilities Education Act (IDEA), to be used in FY 2021. \$800 million to help children experiencing homelessness Stipulations for use: Of these funds, State Educational Agencies (SEAs) need to reserve at least 5 percent and LEAs must reserve at least 20 percent of the Elementary and Secondary School Emergency Relief Fund (ESSERF) to school d

	 Higher Education \$40 billion to colleges and universities through the Higher Education Emergency Relief Fund (HEERF), which will remain available through Sept. 30, 2023, including: \$36 billion for public and nonprofit institutions of higher education institutions are required to direct 50 percent of their funding to students in the form of emergency grants \$3 billion for Historically Black Colleges and Universities (HBCUs), Tribal Colleges and Universities (TCUs) and other Minority Serving Institutions (MSIs) \$198 million for institutions with the greatest pandemic-related needs
Child Care	 <u>Child Care</u> \$40 billion for child care agencies and aid to providers affected by the pandemic: \$15 billion of these funds will go to the Child Care and Development Block Grant (CCDBG) to subsidize child care for 875,000 children during the next year \$24 billion is for child care stabilization funds to save and sustain nearly 449,000 child care programs, impacting 7.3 million children \$1 billion for Head Start to ensure that programs can continue to provide vital services to children and families
Water and Utility Assistance	 <u>Funding for LIHEAP</u> Provides \$4.5 billion for utility assistance through the Low Income Home Energy Assistance Program (LIHEAP) <u>Funding for water assistance program</u> \$500 million for water assistance grants to states "to assist low-income households, particularly those with the lowest incomes, that pay a high proportion of household income for drinking water and wastewater services"; the states will provide the funds to" owners or operators of public water systems or treatment works to reduce arrearages of and rates charged to such households for such services"
Healthcare	 Public Health Funding for COVID-19 vaccine activities at the Centers for Disease Control and Prevention (CDC) Provides \$7.5 billion to the CDC for activities to plan, distribute and track COVID-19 vaccines; these funds may also go to state, local, tribal and territorial public health departments for wraparound support for vaccine distribution and administration, and will be available until expended and will be distributed through existing CDC vehicles/cooperative agreements to the public health departments/officials in the 64 CDC jurisdictions This section also provides additional supplemental funding to states, localities and territories within 21 days of enactment above and beyond similar funding provided in the FY 2021 regular appropriations bill based upon the difference between FY 2021 funding and the FY 2020 Public Health Emergency Preparedness grant formula funding Funding for Vaccine Confidence Activities Provides \$1 billion to the CDC to strengthen public understanding and confidence in COVID-19 vaccines to ultimately improve U.S. vaccination rates; the funds will be available until expended and will be distributed through existing CDC vehicles/cooperative agreements to the public health departments/officials in the 64 CDC jurisdictions

 Funding for Supply Chain for COVID-19 Vaccines, Therapeutics and Medical Supplies Provides \$6.05 billion for research, development, manufacturing, production and purchase of vaccines, therapeutics and ancillary medical products and supplies to respond to COVID; funding may apply not only to COVID-19 but also to any pandemic-capable disease, and will be available until expended and will likely be available through U.S. Department of Health and Human Services (HHS) contract vehicles/Broad Agency Announcements Funding for COVID-19 Vaccine, Therapeutic and Device Activities at the FDA Provides \$500 million to the U.S. Food and Drug Administration (FDA) to evaluate the continued effectiveness of FDA-regulated products approved to address COVID-19; funding also applies to expand continuous manufacturing abilities to ensure a robust supply chain of COVID-related products, and also may also be used to expand FDA facility inspections to accelerate the review of products delayed due to COVID
 <u>Reduced Cost-Sharing</u> Ensures that individuals who received unemployment compensation in 2021 receive cost-sharing subsidies as those whose family income is no greater than 133 percent of the federal poverty line
Testing
 Funding for COVID-19 Testing, Contact Tracing and Mitigation Activities Provides HHS with \$47.8 billion to fund activities to respond to and mitigate the spread of COVID-19, and that may be used to: implement a national COVID-19 testing strategy provide technical assistance to state, local and territorial public health departments to detect, diagnose and trace COVID-19 support expanded COVID-19 testing and development, including through the acquisition of non-federally owned facilities to increase testing capacity enhance IT resources for public health data sharing. The funds will be available until expended and will be distributed through existing CDC vehicles/cooperative agreements, including and especially the Epidemiology and Laboratory Capacity (ELC) Cooperative Agreement to the public health departments/officials in the 64 CDC jurisdictions Funding for SARS-COV-2 Genomic Sequencing and Surveillance Provides HHS/CDC with \$1.75 billion to expand and improve activities
around the sequencing of COVID-19 and its variants; funding may also apply to local, state and territorial health departments to develop COVID variant mitigation strategies
 Funding for Global Health Provides \$750 million to HHS/CDC to combat COVID-19 and emerging infectious diseases globally
 Funding for Data Modernization and Forecasting Center Provides \$500 million to HHS/CDC for public health data surveillance and analytics infrastructure modernization

	c Health Workforce
•	ng for Public Health Workforce Provides \$7.66 billion to HHS to maintain and expand the U.S. public health workforce, including through grant support to public health departments to recruit and hire new public health workers and related administrative support as well as providing PPE and other supplies to new workers
•	ng for Medical Reserve Corps Provides \$100 million for the Medical Reserve Corps
Publi	c Health Investments
Fundin •	ng for community health centers and community care Provides \$7.6 billion to HHS to be awarded for grants and cooperative agreements to community health centers and qualified Hawaiian entities for COVID-19 vaccine distribution, testing, contract tracing, equipment, staff, infrastructure, and community education and outreach
Fundi	ng for National Health Service Corps
•	Provides \$800 million to HHS for state loan repayment programs
<u>Fundii</u> •	ng for Nurse Corps Provides \$200 million to HHS for loan repayment programs
<u>Fundi</u> ı ∙	ng for teaching health centers that operate graduate medical education Provides \$330 million through FY 2023 to HHS for new graduate medical residency training programs, maintaining existing staff and expanding existing programs, establishing new or expanding existing primary care residency programs, funding a per resident increase of \$10,000 and boosting the federal response to public health emergencies
<u>Fundii</u> ●	ng for family planning Provides \$50 million to HHS for federal grants to assist in the establishment and operation of family planning and preventive health projects and services not including abortion services
Menta	al Health and Substance Use Disorder
<u>Fundii</u> •	ng for block grants for community mental health services Provides \$1.5 billion to HHS through FY 2025 for grants to states for providing community mental health services
<u>Fundii</u> •	ng for block grants for prevention and treatment of substance abuse Provides \$1.5 billion to HHS through FY 2025 for substance abuse prevention and treatment
	ng for mental health and substance use disorder training for healthcare sionals, paraprofessionals, and public safety officers Provides \$80 million to HHS and the Health Resources and Services Administration (HRSA) for grants or contracts with qualifying entities in rural and underserved communities to train health professionals in evidence-informed strategies for reducing and addressing suicide, burnout, mental health conditions and substance use disorders among healthcare professionals

 Funding for education and awareness campaign encouraging healthy work conditions and use of mental health and substance use disorder services by healthcare professionals Provides \$20 million to HHS/CDC to carry out a national evidence-based education and awareness campaign directed at healthcare professionals and first responders by encouraging them to identify risk factors and seek support and treatment for their own mental health and substance use concerns
 Funding for grants for healthcare providers to promote mental health among their health professional workforce Provides \$40 million to HHS/HRSA for grants or contracts with healthcare entities, including provider trade associations and Federally Qualified Health Centers (FQHCs), to establish or expand protocols to promote mental health among healthcare providers, particularly in rural and underserved communities
 Funding for community-based funding for local substance use disorder services Provides \$30 million to HHS to support community-based overdose prevention programs, syringe services programs and other harm reduction services
 Funding for community-based funding for local behavioral health needs Provides \$50 million to HHS for grants to address increased community behavioral health needs worsened by the COVID-19 public health emergency to be used for care coordination, workforce training, surge capacity, integrating evidence-based care models, providing mental and behavioral health services via telehealth, and preventive and crisis intervention services
 Funding for the National Child Traumatic Stress Network Provides \$10 million to HHS in funding for the national child traumatic stress network
 Funding for Project AWARE Provides \$30 million to HHS for Project AWARE for advancing wellness and resiliency in education
 Funding for youth suicide prevention Provides \$20 million to HHS for grants for youth suicide and early prevention programs
 Funding for behavioral health workforce education and training Provides \$100 million to HHS for grants for mental and behavioral health education and training programs
 Funding for pediatric mental health care access Provides \$80 million to HHS for grants to promote behavioral health integration in pediatric primary care by supporting the development of new or improvement of existing statewide or regional pediatric mental health care telehealth access programs
 Funding for expansion grants for certified community behavioral health clinics Provides \$420 million to HHS for grants to Certified Community Behavioral Health Clinics

<u>Establis</u> ●	shing a grant program for ACA Exchange modernization Provides \$20 million through FY 2022 to HHS to award grants to
	Affordable Care Act (ACA) Exchanges to modernize or update systems, programs or other technology
Medica	id
Mandat	ory coverage of COVID-19 vaccines and administration and treatment
under M	<u>Medicaid</u> The bill builds on provisions in the Families First Coronavirus Response legislation that required Medicaid and Children's Health Insurance Program (CHIP) coverage of COVID-19 testing without cost-sharing to explicitly require Medicaid and CHIP coverage of COVID-19 vaccines, treatment including prescription drugs and treatment of conditions that complicate COVID-19 treatment, without the imposition of cost-sharing charges
	ations to certain coverage under Medicaid for pregnant and postpartum
• •	Full benefits would be available to women during pregnancy and throughout the 12-month postpartum period, or up to a year after the las day of her pregnancy, extending their coverage well beyond the current cutoff of 60 days; if a state selects this option for its Medicaid program, i must provide it under its CHIP program
	ption to provide qualifying community-based mobile crisis intervention
service: •	Second States to offer community-based mobile crisis intervention services for five years, with an 85 percent Federal Medical Assistance Percentage (FMAP)
	rary increase in FMAP for medical assistance under state Medicaid plans gin to expend amounts for certain mandatory individuals States that newly expand Medicaid would receive an additional 5 percentage point increase in their regular FMAP for two years, no matte when they newly expand – this increase would be in addition to the temporary 6.2 percentage point FMAP increases enacted as part of the Families First Coronavirus legislation available through the duration of th COVID-19 public health emergency; the 5-percentage point increase would not apply to other Medicaid spending that is not subject to the regular FMAP, such as administrative costs and Disproportionate Share Hospital (DSH) spending
	on of 100 percent federal medical assistance percentage to Urban Indiar
	Organizations and Native Hawaiian Health Care Systems For two years, the bill would temporarily apply the 100 percent FMAP available to Indian Health Service (IHS) providers furnishing care to Medicaid beneficiaries to include Urban Indian Health Programs and Native Hawaiian Health Care Systems services; such providers are grantees of the IHS and serve IHS-eligible patients on Medicaid, but the are not formally part of the IHS and, as a result, do not receive the 100 percent FMAP like other IHS providers

	Sunset of limit on maximum rebate amount for single-source drugs and innovator multiple source drugs
	 The bill delayed by one year, until 2024, the removal of the cap on Medicaid inflation rebates; Medicaid requires a minimum 23 percent rebate on brand drugs, and companies pay an additional inflation rebate when they raise prices faster than inflation – that inflationary rebate is currently capped at 100 percent of the Average Manufacturer Price (AMP) to avoid making drug companies pay rebates that are greater than the price of drugs
	Additional support for Medicaid home and community-based services during the COVID-19 emergency
	• States would have the option of receiving a 7.35 percentage point increase in their Medicaid matching rate for home and community-based services (subject to a 95 percent limit) for one year starting April 1, 2021; as a condition of the increase, states would be required to use this additional funding to expand and enhance home and community-based services in one or more enumerated ways, including increasing home and community- based reimbursement rates and providing payments to financially stressed providers
	 Funding for state strike teams for resident and employee safety in nursing facilities The bill appropriates \$250 million to support state-based "strike" teams to help respond to COVID-19 in nursing homes
	Medicare
	 Floor on the Medicare area wage index for hospitals in all-urban states The bill restores an area wage index floor for hospitals in all-urban states starting Oct. 1, 2021, and directs the HHS Secretary to create a Medicare area wage index for hospitals in all-urban states to address a 2019 rule that imposed across-the-board cuts to increase pay for low-wage hospitals
	Secretarial authority to temporarily waive or modify application of certain Medicare requirements with respect to ambulance services furnished during certain emergency periods
	The bill provides for Medicare reimbursement to ambulance providers even if the patients aren't transported to a healthcare facility; the authority would last the duration of the public health emergency
	 Funding for Office of Inspector General The bill provides \$5 million to the HHS Office of Inspector General (OIG) for oversight activities with respect to the Provider Relief Fund
Defense Production Act	 Provides \$10 billion to carry out the Defense Production Act for medical supplies and equipment such as testing, personal protective equipment (PPE) and vaccines.
Housing, Homelessness and Rental Assistance	 Emergency rental assistance Of the \$27.4 billion provided for rental assistance, \$21.55 billion will be funded through the <u>Coronavirus Relief Fund (CRF)</u> and administered by the U.S. Department of the Treasury: \$305 million is set aside for territories \$152 million is set aside for states \$2.5 billion will be distributed to high-need communities and will be distributed based on the number of very low-income renter households paying more than 50 percent of income on rent or

	living in substandard or overcrowded conditions, rental market
	costs and employment trends.
	 See <u>State Estimates for Emergency Rental Assistance</u> Allocations: The first 40 percent of funds must be paid to grantees within
	60 days of enactment; when a grantee has obligated not less than 75
	percent of funds already dispersed, the Treasury Secretary may provide
	additional disbursements of the grantee's allocation
•	Eligibility: Under the bill, households are eligible for emergency rental
	assistance funds if one or more individuals: 1) has gualified for
	unemployment benefits or experienced a reduction in household income,
	incurred significant costs, or experienced other financial hardship during or
	due, directly or indirectly, to the pandemic; 2) can demonstrate a risk of
	experiencing homelessness or housing instability; and 3) has a household
	income below 80 percent of the Area Median Income (AMI)
	 States and localities must prioritize households below 50 percent
	of AMI or those who are unemployed and have been unemployed
	for 90 days; states and localities can provide additional prioritization of funds
•	Use of Funds : The funds must be used to provide financial assistance,
	including back and forward rent and utility payments, and other housing
	expenses, and assistance can be provided for 18 months; not more than
	10 percent of funds may be used to provide case management and other
	services intended to help keep households stably housed, and not more
	than 15 percent of funds paid to a state or local government can be used
	for administrative costs
•	Deadlines: After March 31, 2022, the Treasury Secretary may recapture
	excess funds not obligated by a state or locality and reallocate and repay
	these dollars to eligible grantees who, at the time of such reallocation,
	have obligated at least 50 percent of the amount originally allocated and
	have met other criteria; funds not obligated may be used to provide affordable housing to very low-income households, so long as the grantee
	has obligated at least 75 percent of its total allocation, and funds provided
	under this bill are available until Sept. 30, 2025
	• The bill extends the deadline to spend the initial \$25 billion tranche
	of funding provided by Congress in December 2020 from Dec. 31,
	2021 to Sept. 30, 2022.
Emor	appey bousing youchers
Emer	gency housing vouchers Provides \$5 billion for housing vouchers with funds available through Sept.
•	30, 2030.
	Use of Funds: These funds must be used to provide and renew
	emergency vouchers, to cover administrative costs and to make
	adjustments for public housing agencies that would otherwise be required
	to terminate rental assistance due to a significant increase in voucher per-
	unit costs due to extraordinary circumstances
•	Eligibility: Under the bill, households are eligible for emergency vouchers
	if they 1) are or are at risk of experiencing homelessness, 2) are fleeing or
	attempting to flee domestic violence, dating violence, stalking, sexual
	assault or human trafficking, or 3) are recently homeless and rental
	assistance will prevent the family's homelessness or having a high risk of
	housing instability
•	Allocations: Public housing agencies will be notified of the number of
	vouchers allocated to them within 60 days, with vouchers to be distributed
	by a formula that includes capacity and ensures geographic diversity, and
	the Secretary may revoke and redistribute any unleased vouchers after a reasonable time; a public housing agency may not reissue any vouchers
	after Sept. 30, 2023, when assistance for the family assisted ends

Emerg	ency assistance for rural housing
•	Provides \$100 million in rental assistance to assist rural households living in USDA-financed properties; funds are available until Sept. 30, 2022, and they may be used to cover back rent and ongoing rental assistance
Housin	g counseling
•	\$100 million for housing counseling through NeighborWorks America. Of the funds provided, not less than 40 percent must be provided to housing counseling organizations that 1) target minority and low-income homeowners, renters and individuals experiencing homelessness or 2) provide services in neighborhoods with high concentrations of minority and low-income homeowners, renters and individuals experiencing homelessness.
Homel	accurace acciptance and currentive convices program
- •	essness assistance and supportive services program Provides \$5 billion to provide rental assistance and supportive services, to develop affordable rental housing, to help acquire non-congregate shelter to be converted into permanent affordable housing or used as emergency shelter Eligibility: These funds must primarily benefit 1) individuals or households
	that are or are at risk of experiencing homelessness, 2) people who are fleeing or attempting to flee domestic violence, dating violence, stalking, sexual assault or human trafficking, 3) populations for whom supportive services would prevent the family's homelessness or having a high risk of housing instability, or 4) households with a veteran family member that meets one of these criteria
	Allocations: Funds will be allocated within 30 days of enactment using the HOME Investment Partnerships program formula; the bill waives statutory requirements, including a commitment deadline, matching requirements and set-aside for Community Housing Development Organizations (CHDOs). • See National Low Income Housing Coalition Estimated Allocations
•	of Homeless Assistance Grants Administrative Costs: Up to 15 percent of the funds may be used to cover administrative costs; a grantee may receive up to an additional 5 percent of its allocation for operating costs for certain CHDOs and nonprofit organizations if the funds are used to build capacity
Homos	numer Assistance Fund
•	wher Assistance Fund Provides \$9.961 billion in funding to be distributed to states through the U.S. Department of the Treasury
·	States can apply for the fund 45 days after enactment – reducing the likelihood that there will be implementing regulations; instead, Treasury will dictate terms through the contracts with the states
•	Impacts existing pipeline of delinquencies – tolling date is Jan 21, 2020; expenses related to delinquencies prior to January 2020 are not eligible, but there is no requirement that the loan be performing as of January 2020 in order to avail themselves of support
•	Eligible uses of the funds include: mortgage payments; principal reduction; interest rate reductions; funds to reinstate a mortgage after forbearance, delinquency or default; payment assistance for utilities, internet, property taxes, homeowners insurance, mortgage insurance, flood insurance, condo fees and homeowner association fees; and a catch-all for "any other assistance to promote housing stability"
•	Unlike the Hardest Hit Fund, the money is not directly earmarked to state housing finance agencies (HFAs), but it is likely that states will rely on state HFAs to do principal write-downs and interest rate reduction refinance loans (IRRLs)

AMI • The maximum amount of support is the government-sponsored enterprise (GSE) conforming loan limit Relief measures for Section 502 and 504 direct loan borrowers • Provides \$39 million to assist rural homeowners through USDA's Section 502 and Section 502 and programs Fair Housing Initiatives Program • \$20 million increase to the U.S. Department of Housing and Urban Development's (HUD) Fair Housing Initiatives Program (FHP) to help identify government agencies that handle complaints of housing discrimination • Eligible grantees include state or local governments, qualified fair housing discrimination • Ederal Transit Administration Grants • \$30.5 billion for transit • \$26.0 billion for transit • \$26.0 billion for regenting costs; for urbanized areas to receive 132 percent of their 2018 operating costs; for urbanized areas that received grants totaling 130 to 132 percent of operating costs; for urbanized areas that received grants totaling 130 to 132 percent of operating costs; for urbanized areas that received grants totaling 100 to 132 percent of operating costs; for urbanized areas that received areas to tactive strugt. • \$317 million for rFTA Rural Area Formula Grants (Section 5311) • \$320 million for operating assistance grants to esigner service. • \$221 billion for operating assistance grants to esigner service as the during and support for operating costs; for urbanized areas that received grants to testor service. • \$250 million for coperating assistance grants to eligible recipients that require additional support for oper		
Provides \$39 million to assist rural homeowners through USDA's Section 502 and Section 504 direct loan programs Fair Housing Initiatives Program • \$20 million increase to the U.S. Department of Housing and Urban Development's (HUD) Fair Housing Initiatives Program (FHIP) to help identify government agencies that handle complaints of housing discrimination • Eligible grantees include state or local governments, qualified fair housing enforcement organizations with at least two years of experience, and othe public or private nonprofit organizations representing individuals who have been victims of housing discrimination Federal Transit Administration Grants • \$30.5 billion for transit • \$30.5 billion for transit • \$30.5 billion for Federal Transit Administration (FTA) Urbanized Area Formula Grants (Section 5307) • This amount, combined with CARES Act and Coronavirus Response and Relief Supplemental Appropriations Act (CRRSAA) grants, allows urbanized areas to receive 132 percent of their 2018 operating costs; for urbanized areas that received grants totaling 130 to 132 percent of operating costs from the CARES Act and CRRSAA, they receive an additional 10 percent of their 2018 operating costs • \$317 million for FTA Rural Area Formula Grants (Section 5311) • \$317 million for sorearing sesistance grants to response service • \$22.1 billion for operating assistance grants to response service • \$317 million for FTA Enhanced Mobility for Seniors and Individuals with biabilities Grants (Section 5310) • \$310 million for coperating assistance grants to response service • \$22.1 billion for operating sensits to response		 programs that pre-date disbursement from the Treasury Department States have to spend 60 percent of the funds on borrowers at or below the AMI The maximum amount of support is the government-sponsored enterprise

 \$30.5 billion for transit \$26.086 billion for Federal Transit Administration (FTA) Urbanized Area Formula Grants (Section 5307) This amount, combined with CARES Act and Coronavirus Response and Relief Supplemental Appropriations Act (CRRSAA) grants, allows urbanized areas to receive 132 percent of their 2018 operating costs; for urbanized areas that received grants totaling 130 to 132 percent of operating costs from the CARES Act and CRRSAA, they receive an additional 10 percent of their 2018 operating costs \$317 million for FTA Rural Area Formula Grants (Section 5311) \$50 million for operating costs from the CARES Act and CRRSAA, they receive an additional 10 percent of their 2018 operating costs \$317 million for FTA Rural Area Formula Grants (Section 5311) \$50 million for ron-urbanized intercity bus program recipients with Disabilities Grants (Section 5307) \$2.21 billion for operating assistance grants to restore service \$2.21 billion for operating assistance grants to restore service \$2.21 billion for operating assistance grants to be evaluated by the FTA based on the level of financial need demonstrated; the FTA is required to issue a Notice of Funding Opportunity (NOFO) for these grants within 180 days after the bill is signed into law \$1.675 billion for Capital Investment Grants (CIG) \$1.425 billion for CHC appropriation for CP operations, existing FFGA that received a CIG allocation. \$175 million to CIG projects with an existing FFGA that received a CIG allocation prior to FY 2019 		 \$20 million increase to the U.S. Department of Housing and Urban Development's (HUD) Fair Housing Initiatives Program (FHIP) to help identify government agencies that handle complaints of housing discrimination Eligible grantees include state or local governments, qualified fair housing enforcement organizations with at least two years of experience, and other public or private nonprofit organizations representing individuals who have
 \$250 million for Small Start projects that are a recipient of a CIG allocation or an applicant in the project development phase 	Public Transportation	 \$30.5 billion for transit \$26.086 billion for Federal Transit Administration (FTA) Urbanized Area Formula Grants (Section 5307) This amount, combined with CARES Act and Coronavirus Response and Relief Supplemental Appropriations Act (CRRSAA) grants, allows urbanized areas to receive 132 percent of their 2018 operating costs; for urbanized areas that received grants totaling 130 to 132 percent of operating costs from the CARES Act and CRRSAA, they receive an additional 10 percent of their 2018 operating costs \$317 million for FTA Rural Area Formula Grants (Section 5311) \$50 million for FTA Enhanced Mobility for Seniors and Individuals with Disabilities Grants (Section 5310) \$100 million for section 5307 planning grants to restore service \$25 million for operating assistance grants to eligible recipients that require additional support for operations, personnel, cleaning, sanitization and debt payments costs incurred to maintain operations and avoid layoffs and furloughs due to COVID-19, with grants to be evaluated by the FTA based on the level of financial need demonstrated; the FTA is required to issue a Notice of Funding Opportunity (NOFO) for these grants within 180 days after the bill is signed into law \$1.425 billion for New Start and Core Capacity projects:

Disaster Relief	 Emergency Federal Employee Leave Fund Provides \$570 million to establish a fund, the Emergency Federal Employee Leave Fund, to be administered by the Office of Personnel Management (OPM) to remain available through Sept. 30, 2022; funds may be used for reimbursement to an agency or for paid leave by any employee who is unable to work due to quarantine or isolation related to COVID-19, including caring for family members or dependents, and paid leave may not exceed 600 hours for each full-time employee Pandemic Response Accountability Committee funding availability Provides \$40 million to support oversight of the coronavirus response via the Pandemic Response Accountability Committee Funding for the White House Provides \$12.8 million for the White House to prevent, prepare for and respond to the coronavirus Federal Emergency Management Agency appropriation Provides \$50 billion for the Federal Emergency Management Agency (FEMA) for the purposes of the Disaster Relief Fund (DRF) for cost associated with major disaster declarations Emergency food and shelter program funding Provides \$10 million for the emergency food and shelter program for the purposes of providing humanitarian relief to families and individuals encountered by the U.S. Department of Homeland Security (DHS) AFG and SAFER program funding Provides \$100 million for Adequate Fire and Emergency Response Grants
	 (SAFER) <u>Emergency management performance grant funding</u> Provides \$100 million for emergency management performance grant funding
Cybersecurity and Technology Modernization	 <u>Cybersecurity and Infrastructure Security Agency.</u> Provides \$650 million for the DHS Cybersecurity and Infrastructure Security Agency (CISA) to mitigate cybersecurity risks <u>Appropriation for the U.S. Digital Service</u> Provides \$200 million for the U.S. Digital Service, a White House unit that provides IT support to federal agencies <u>Appropriation for the Technology Modernization Fund</u> Provides \$1 billion for the General Services Administration Technology Modernization Fund, which was established to upgrade federal agency IT systems
Paycheck Protection Program (PPP)	 Appropriates an additional \$7.25 billion to the U.S. Small Business Administration (SBA) for the PPP program Expands PPP eligibility to include:

	 Additional tax-exempt nonprofits, such as 501(c)(5) labor and agricultural organizations and community locations of larger nonprofits, whose lobbying activities do not comprise more than 15 percent of its activities Internet publishing organizations assigned a North American Industry Classification System (NAICS) Code of 519130 and engaged in the collection and distribution of local or regional and national news and information Adds COBRA premium assistance as an allowable payroll cost under the PPP program Program expires March 31, 2021
Economic Injury Disaster Loans (EIDL)	 Appropriates \$15 billion to the SBA to provide EIDL \$10,000 grants to small businesses eligible under Section 331 of the Economic Aid to Hard- Hit Small Businesses, Nonprofits, and Venues Act or Section 1110(e) of the CARES Act
Restaurants	 Appropriates \$28.6 billion for the SBA to administer a grant program to restaurants through a new Restaurant Revitalization Fund The new grant program follows the enactment of a similar grant program for shuttered live venues enacted in Section 324 of the Economic Aid to Hard-Hit Small Businesses, Nonprofits, and Venues Act enacted in December 2020 Eligible restaurants must certify that the uncertainty of current economic conditions makes necessary the grant request to support the ongoing operations of the restaurant The bill prohibits eligibility of a restaurant that: is a state or local government operated business owns or operates more than 20 locations as of March 13, 2020 has a pending application for or has received a grant under SBA shuttered live venues grant program, or is a publicly traded company The maximum grant amount is: \$10 million per eligible entity and any affiliated businesses, and \$5 million per physical location of the eligible entity
Shuttered Venue Operators	 This bill provides \$1.25 billion in additional funds for the Shuttered Venue Operators Grant Program enacted in Section 324 of the Economic Aid to Hard-Hit Small Businesses, Nonprofits, and Venues Act enacted in December 2020 The bill also allows eligible applicants to access both the Shuttered Venue Operators Grant (SVOG) and PPP to address SVOG's delayed start
Aviation/Airlines	 <u>Air Transportation Payroll Support Program Extension</u> Provides \$14 billion to extend Payroll Support Program funding for eligible air carriers and contractors, with the new round of funding extending restrictions on involuntary furloughs and reductions in pay rates or benefits through Sept. 30, 2021, or the date on which funds are expended; it also extends the restrictions on stock buybacks, dividends and capital distributions through Sept. 30, 2022, and restrictions on executive compensation to April 1, 2023. The Secretary of the Treasury is required to issue streamlined procedures within five days of enactment and make initial payments under the program within 10 days of enactment <u>Relief for Airports</u> \$6.492 billion for primary airports and certain cargo airports to use for "costs related to operations, personnel, cleaning, sanitization, janitorial services, combating the spread of pathogens at the airport, and debt service payments"; the federal share is 100 percent

	 \$800 million "to provide relief from rents and minimum annual guarantees to airport concessions" \$608 million to pay the federal share of 100 percent for Airport Improvement Program (AIP) grants awarded in FY 2021 or FY 2020
	 Emergency TSA Employee Leave Fund The legislation also adds an \$13 billion emergency paid leave fund for TSA employees that is similar to a leave program for FAA employees included in the bill; the fund expires in September 2022.
Broadband	 Funding for E-Rate support for emergency educational connections and devices Nearly \$7.2 billion to create an Emergency Connectivity Fund to reimburse schools and libraries for internet access and connected devices for students and teachers learning remotely due to the pandemic; requires the FCC to issue rules within 60 days of enactment to provide funding to eligible schools and libraries to enable them to provide eligible connected devices, internet service and equipment necessary to support internet use in locations other than a school or library, among other things \$10 billion for states, territories and tribal governments to carry out critical capital projects directly enabling work, education and health monitoring, including remote options, in response to the public health emergency with respect to COVID-19; this funding is intended to be focused on broadband investment
Unemployment Provisions	 <u>Unemployment Insurance extension</u> Extends enhanced unemployment insurance until Sept. 6. 2021, including the extra \$300 Federal Pandemic Unemployment Compensation Extends Pandemic Unemployment Assistance to the self-employed, gig workers, freelancers and others who would otherwise not regularly qualify for unemployment insurance Extends Pandemic Emergency Unemployment Compensation for those who exhaust state benefits to 53 weeks, from 24 weeks <u>Unemployment Insurance tax relief</u> Creates a \$10,200 tax exclusion for unemployment compensation in tax year 2020 for those with incomes under \$150,000
Tax	Stimulus payments • Provides an additional \$1,400 per qualifying individual in direct stimulus payments; in addition to the \$600 in supplemental payments enacted in the December 2020 relief bill, this would fulfill Democratic demands for \$2,000 in payments Child Tax Credit • Temporary, fully refundable enhancement of the value of the Child Tax Credit to \$3,000 for children older than 6 and to \$3,600 for children younger than 6 – an increase in the current credit of \$2,000, of which only \$1,400 is refundable; envisions that the tax credit can be claimed on a monthly basis, rather than annually Earned Income Tax Credit • Temporarily and significantly increases the value of the Earned Income Tax Credit, along with loosening eligibility requirements on income

	 Dependent Care Assistance Child and Dependent Care Tax Credit: Temporary, fully refundable enhancement of the Child and Dependent Care Credit from the current limitation of \$1,050 per child or dependent up to \$4,000
	 <u>Credits for Paid Sick and Family Leave</u> Extends the availability of paid sick and paid family leave tax credits, as established in the Families First Coronavirus Response Act through Sept. 30, 2021 Also expands eligibility to state and local governments that provide this benefit
	 Employee Retention Credit Increases the availability and value of credit to those employers who "severely financially distressed" (i.e., those who experienced a severe decline in gross receipts) by allowing such employers to take all wages into account, not just those that are paid for employees not providing services Expands credit availability to employers who qualify as a "recovery startup business" (i.e., those employers who began a trade or business after Feb. 15, 2020, and whose gross receipts average less than \$1 million) Expands availability of the credit from the current deadline of June 30, 2021, to those wages paid in 2021
	 <u>Premium Tax Credit</u> Expands the Affordable Care Act's premium tax credits for health insurance that is purchased through an exchange
	Miscellaneous Provisions
	 <u>Repeal of election to allocate on worldwide basis</u> Revokes an election that came into effect in 2021 to allow multinational companies to allocate their interest expenses on a worldwide basis
	 Extension of Excess Business Loss Limitation Extends the limitation on excess business losses of non-corporate taxpayers for one year, through 2026
	Pensions
	 Expansion of limitation on excessive employee remuneration Expands the denial of deductibility currently found in IRC Section 162(m) to an additional five highest compensated individuals
	 Pension Benefit Guaranty Corporation (PBGC) fund Creates a fund for the PBGC to assist certain struggling multiemployer plans to cover benefits due through plan years ending in 2051
State and Local Assistance	 <u>Coronavirus State and Local Fiscal Recovery Funds</u> Of the approximately \$350 billion for fiscal relief, 57 percent is allocated to states and 35 percent to local governments The distribution formula is as follows: States and District of Columbia: \$195.3 billion \$25.5 billion is equally divided with state minimum of \$500 million

 \$169 billion based on the state share of unemployed 	ed
workers over a three-month period from October to	
December 2020	
 Local Governments: \$130.2 billion divided evenly between 	n non-
county municipalities and counties	
Counties: \$65.1 billion in direct federal aid to all co	ounties
based on the county share of the U.S. population b	ased
on the most recent data available from the Census	Bureau
Non-County Municipalities: \$65.1 billion to cities	and
other non-county municipalities:	
\$45.57 billion in direct federal aid for	
municipalities with populations of at lea	st
50,000 , using a modified Community	
Development Block Grant formula	
 \$19.53 billion for municipalities with 	
populations of less than 50,000 based or	
jurisdiction's percentage of the state's population	
aid is distributed through the states, with the	
ability for states to request an extension if t	hey are
unable to distribute within 30 days	
See <u>State and Local Allocation Estimates</u>	
 U.S. Territories: \$4.5 billion 	
 \$20 billion to federally recognized tribal governments 	
Allowable Uses of Funds: Funds may be used to:	
 respond to the public health emergency with respect to COVID- 	
its negative economic impacts, including assistance to househo	
small businesses and nonprofits, or aid to impacted industries s	such as
tourism, travel and hospitality	luction
 for the provision of government services to the extent of the rec in revenue (i.e. online, preparty or income tax) due to the public 	
in revenue (i.e. online, property or income tax) due to the public emergency	nealth
3. make necessary investments in water, sewer or broadband	
infrastructure, or	
4. include premium pay for eligible workers performing essential w	ork (as
determined by each state or tribal government) during the pand	
 Other key provisions: 	•
states are not allowed to use the funds to either direction	ectly or
indirectly offset a reduction in the net tax revenue the	
results from a change in law, regulation or administ	
interpretation during the covered period that reduce	
tax	-
No funds shall be deposited into any pension fund	
State and local governments are allowed to transfe	r to a
private nonprofit organization, a public benefit corp	
involved in the transportation of passengers or care	
special-purpose unit of state or local government	
Reporting Requirements, Certification and Recoupment: Requi	res
state and local governments to fulfill reporting requirements, such a	
 states are required to report how funds are used and how the 	
revenue was modified during the time that funds were spen	
the covered period (covered period begins on March 3, 202	
ends on the last day of the fiscal year a state or local gover	nment
has expended or returned all funds to the U.S. Treasury).	
 local governments would be required to provide "periodic re 	eports"
providing a detailed accounting of the use of funds	
 if a state, county or municipality does not comply with any 	
provision of this bill, they will be required to repay the U.S.	
Treasury an equal amount to the funds used in violation	

	 Administration of Recovery Funds: Funds will administered as follows: funds would be distributed by the U.S. Department of the Treasury the deadline to spend funds would be Dec. 31, 2024 payments will be divided into two equal tranches – within 60 days after enactment, the U.S. Treasury is required to release the first tranche allocated to a city, county or state; the second tranche cannot be released earlier than 12 months after the first payment in order to receive a payment either under the first or second tranche, local governments must provide the U.S. Treasury is required to pay the first tranche to counties not later than 60 days after enactment and the second payment no earlier than 12 months after the first payment The bill would provide \$117 million for oversight and to promote transparency and accountability of all federal coronavirus relief funds, with \$77 million for the Government Accountability Office and \$40 million for the Pandemic Response and Accountability Committee State Small Business Credit Initiative \$10 billion for the fund, administered by the Treasury Department The money is allocated to states to support programs of their own design and can include: loan participation programs, venture capital programs, collateral support programs, loan guarantee programs and capital access programs
	 <u>Funding for providers relating to COVID-19</u> The bill provides an additional \$8.5 billion in relief funding for rural entities – far short of the \$35 billion sought by stakeholders
Tribal Provisions	 COVID State Fiscal Recovery Fund Provides \$20 billion (of \$219.8 billion allocated to the COVID State Fiscal Recovery Fund) for tribal governments to mitigate the fiscal effects stemming from the COVID pandemic \$1 billion will be allocated equally among all tribal governments in amounts determined by the Secretary Payments will be made to each tribal government within 60 days of enactment Tribal governments can use the funds by Dec. 31, 2024, to: respond to or mitigate the COVID public health emergency and its negative economic impacts, including assistance to households, small businesses and nonprofits or to impacted industries such as tourism, travel and hospitality respond to workers performing essential work during the COVID public health emergency by providing premium pay to eligible workers of tribal governments that are performing such essential work, or by providing grants to eligible employers that have eligible workers who perform essential work

in the annual list published pursuant to the Federally Recognized Indian Tribe List Act of 1994 (25 U.S.C. 5131)
